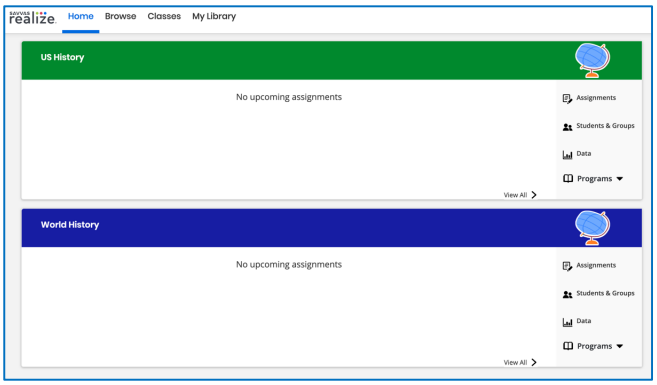
Explore the home screen.



This is the Savvas Realize home screen.

Your name and icon in the upper-right corner provides access to settings, announcements, and the Sign Out option.

The magnifying glass icon allows you to quickly search for content.

The bell icon alerts you to any notifications

The question mark icon links to Training and Help.

You can access your digital program content on the far right under *My Programs*. Simply click your program title to access lessons, assignable content, assessments, student and teacher eText, and Teacher Resources.

The Notifications & Guides ("S") icon on the bottom right provides important program/platform updates, information and tips.

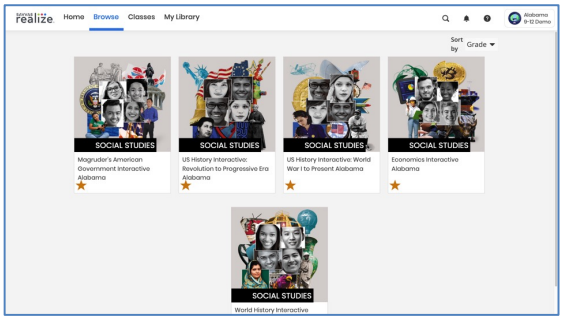
## Explore Class Cards.

Once you have at least one class, you will see a Class Card in the main section of your home screen. The card provides information on recent assignments, including how many students have completed them, any new comments, and the due date.

Click the tabs at the top to navigate to the following:

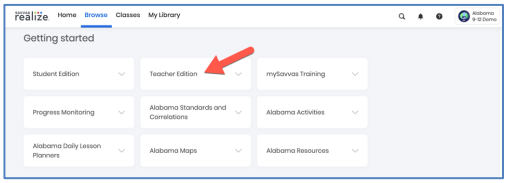
- *Browse*: to browse the main program.
- *Classes*: Add a class, groups or students, view assignments, and access
- *My Library*: Access your personal library containing custom content, links, attachments, and more.

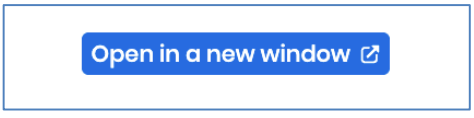
## Browse programs.



Click *Browse* to see your available programs. Click your program to access all available program content. You can sort your programs by Grade, Subject or Favorites.

## Navigate to the Teacher eText.





Scroll down to the Getting Started section. Click into the *Teacher's Edition* folder and select the *Teacher eText* from the eText options displayed.

Click *Open in a new window* for full experience.

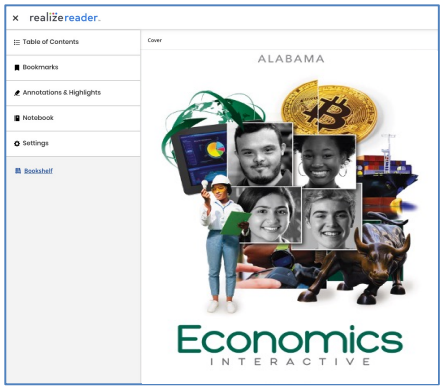
## Explore the Teacher eText.

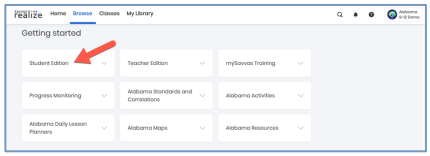


Click the 3 lines option at the top right of the screen to display the following:

- Table of Contents
- Bookmarks
- Annotations and Highlights
- Notebook features

Click *Settings* to adjust the font size.

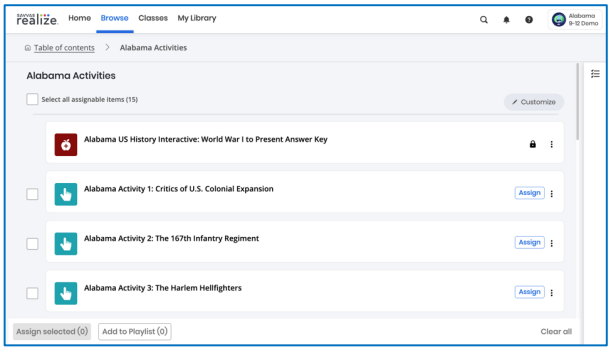
## Explore the Student eText.



In the Student Realize Reader eText, click the 3 lines button to navigate to the following:

- Table of Contents
- Bookmarks
- Annotations and Highlights
- Notebook features

## Explore Alabama resources.



Scroll down to the Getting Started section.

Explore the following resources:

- Alabama Standards and Correlations
- Alabama Activities
- Alabama Daily Lesson Planners
- Alabama Maps

Click the question mark icon in the upper-right corner of Savvas Realize for additional training and help.

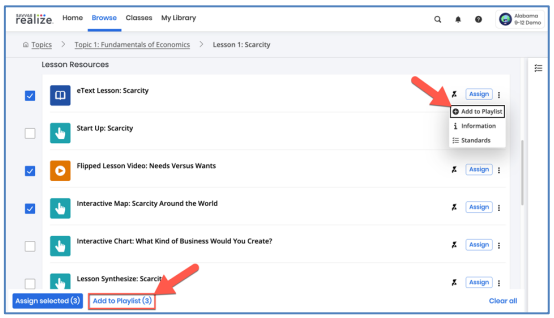
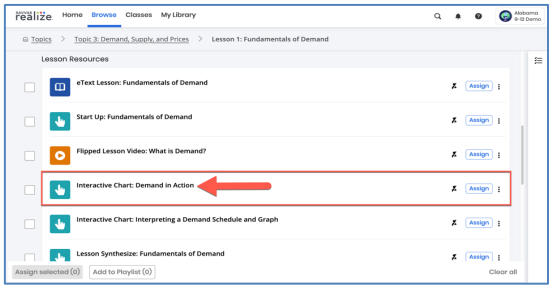
## How to Create a Playlist

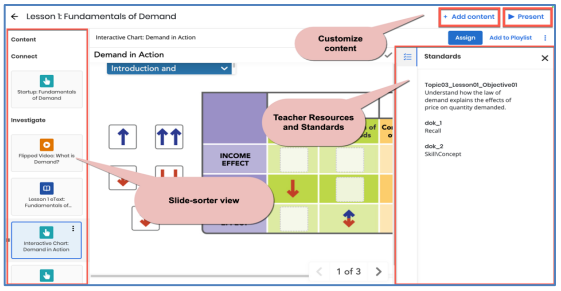


From a topic or lesson check the boxes next to the desired content. Click *Add to Playlist*.

Then click *Create New Playlist*. Type a title and description, then click *Create Playlist*.

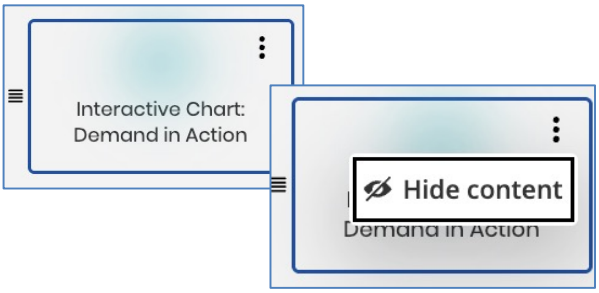
## Teacher Planning and Presenter View

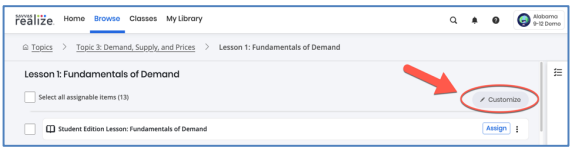




Click on any item to open the *Teacher Planning and Presenter View*.

- On the left side, in the slide-sorter view, find activities for the lesson.
- In the middle, preview the activity.
- On the right, find the standards and *Teacher Resources*.
- Click *Add Content* to upload customized content to a lesson.
- Click *Present* in the upper right to display the lesson components.





In slide-sorter view, use the lines on the left to drag and drop the lesson elements to rearrange order of content.

Click the 3 dots on the right to hide any content.

At the lesson level, click *Customize* to add personalized content and links from a variety of sources
