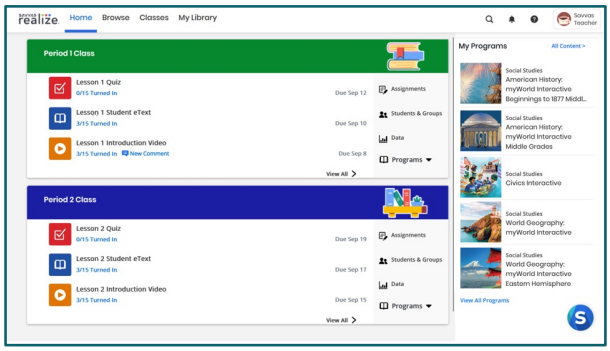
Explore the home screen.



This is the Savvas Realize home screen.

Your name and icon in the upper-right corner provides access to settings, announcements, and the Sign Out option.

The magnifying glass icon allows you to quickly search for content.

The bell icon alerts you to any notifications

The question mark icon links to Training and Help.

You can access your digital program content on the far right under *My Programs*. Simply click your program title to access lessons, assignable content, assessments, student and teacher eText, and Teacher Resources.

The Notifications & Guides ("S") icon on the bottom right provides important program/platform updates, information and tips.

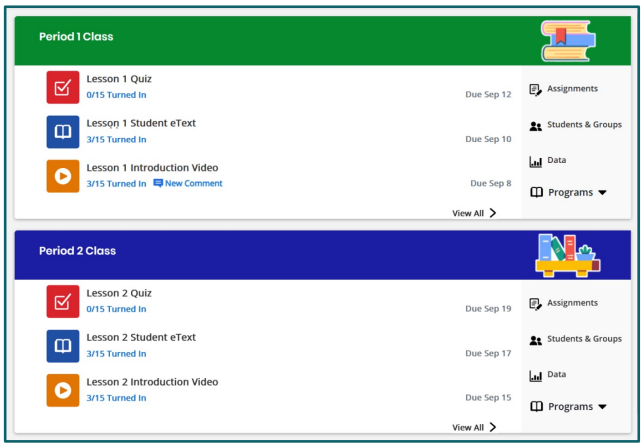
Explore Class Cards.

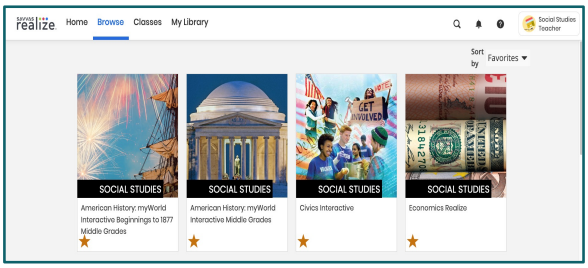


Once you have at least one class, you will see a *Class Card* in the main section of your home screen. The card provides information on recent assignments, including how many students have completed them, any new comments, and the due date.

Click the tabs at the top to navigate to the following:

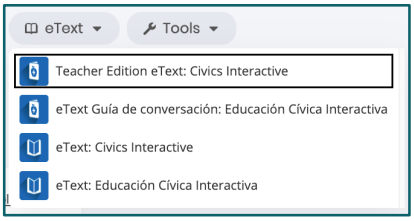
- Browse: to browse the main program and supplemental Activity Pack options.
- Classes: Add a class, groups or students, view assignments, and access
- My Library: Access your personal library containing custom content, links, attachments, and more.

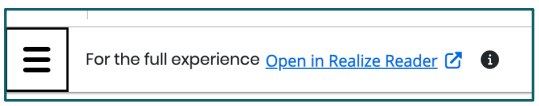
Browse programs.



Click *Browse* to see your available programs. Click your program to access all available program content. You can sort your programs by Grade, Subject or Favorites.

Navigate to the Teacher eText.





Click the *eText* icon option at the top of the page and select the *Teacher eText* from the eText options displayed.

Click *Open in Realize Reader* for full experience.

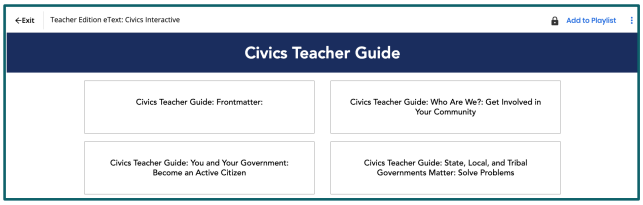
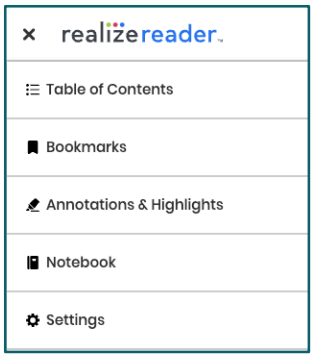
Explore the Teacher eText.





First, select the section topic you wish to explore.

Next, click the 3 lines at the top left of the screen to display the following:

- Table of Contents
- Bookmarks
- Annotations & Highlights
- Notebook

Click Settings to adjust the font size.

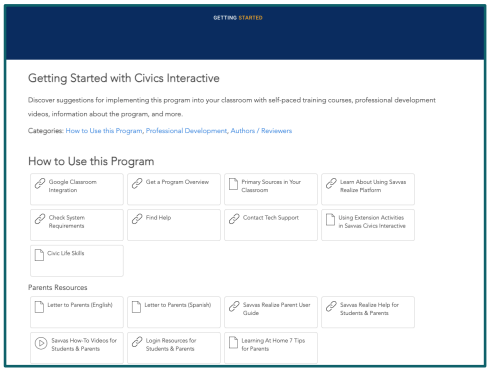
Explore the Student eText.

In the Student Realize Reader eText, click the 3 lines button to navigate to the following:

- Table of Contents:
- Bookmarks
- Annotations and Highlights
- Notebook features.

Please note: The Student Realize Reader eText has interactives available for students. However, to see student responses, you must first assign the chapter.

Explore the Getting Started folder.



Click the *Getting Started* folder.

Explore the following resources:

- How to Use This Program
- Parent Resources
- Professional Development
- Creating an Active Classroom
