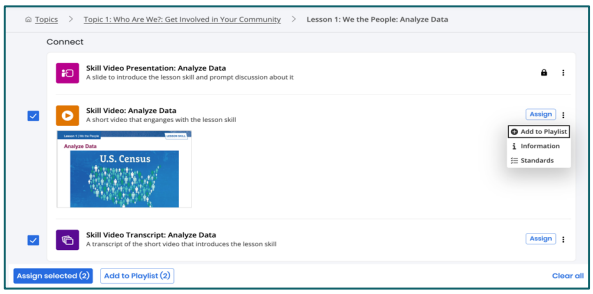
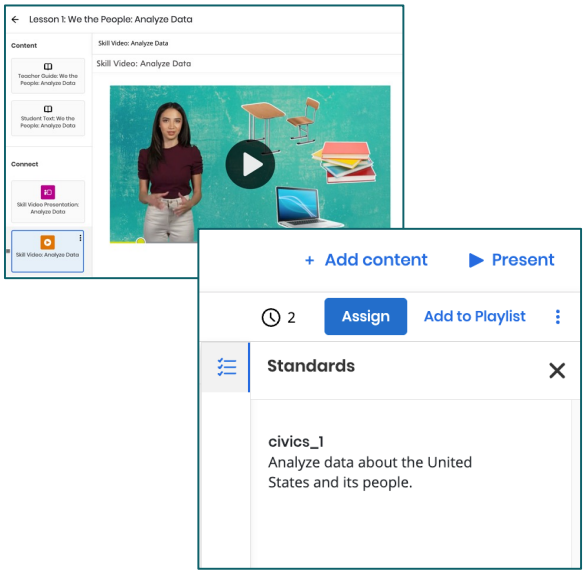
How to Create a Playlist



From a topic or lesson check the boxes next to the desired content. Click *Add to Playlist*.

Then click *Create New Playlist*. Type a title and description, then click *Create Playlist*.

Teacher Planning and Presenter View

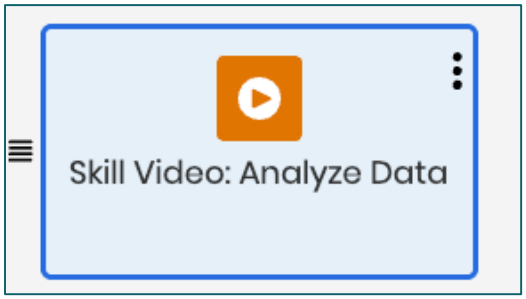


Click on any item to open the *Teacher Planning and Presenter View*.

- On the left side, in the slide-sorter view, find activities for the lesson.
- In the middle, preview the activity.

- On the right, find the standards and *Teacher Resources*.
- Click *Add Content* to upload customized content to a lesson.
- Click *Present* in the upper right to display the lesson components.

Slide Sorter



In slide-sorter view, use the lines on the left to drag and drop the lesson elements to rearrange order of content.

Click the 3 dots on the right to hide any content.

At the lesson level, click *Customize* to add personalized content and links from a variety of sources
