

# Instructor Directions for Creating a Pearson MyLab® Course

Savvas offers many Career and Technical Education programs, published by Pearson with digital access provided for teachers and students on the Pearson MyLab platform. Follow the simple instructions below to get started.

Go to: [mlm.pearson.com](http://mlm.pearson.com)

1. Under **Register**, click **Educator**.
2. Click **I need to create or copy courses**. Follow prompts to create an account.
3. Once logged into your account, select **I have an access code**. Enter the code provided by your Savvas Account Manager and click **Verify**.
4. Click **Create/copy course**. Click [HERE](#) for registration and course creation directions.
5. Once your course is created, take note of the **Course ID** from the home screen.
6. Once a course is created, students register at [mlm.pearson.com](http://mlm.pearson.com) and enroll in the course using the course ID (populated when the course is created), a student access code (student access must be purchased), and the student's school email address.
