

Free CTE Resources!

Higher Education Titles

Pearson offers a variety of teacher supplements and resources available online for download including Powerpoint Slides and TestGen test banks. TestGen is a test generator program from Pearson Education designed to help you create paper handouts, quizzes or tests for your students.

To access the Free Resources visit pearsonhighered.com. Use the **Product Search** tool to find your program using your ISBN or Author/Title.

Once you are on your Program page, select **Resources**. The available Resources will display, click on the particular Resource to download.

If you have not Registered, you will need to set up your educator account to Log In and access the Free Resources.

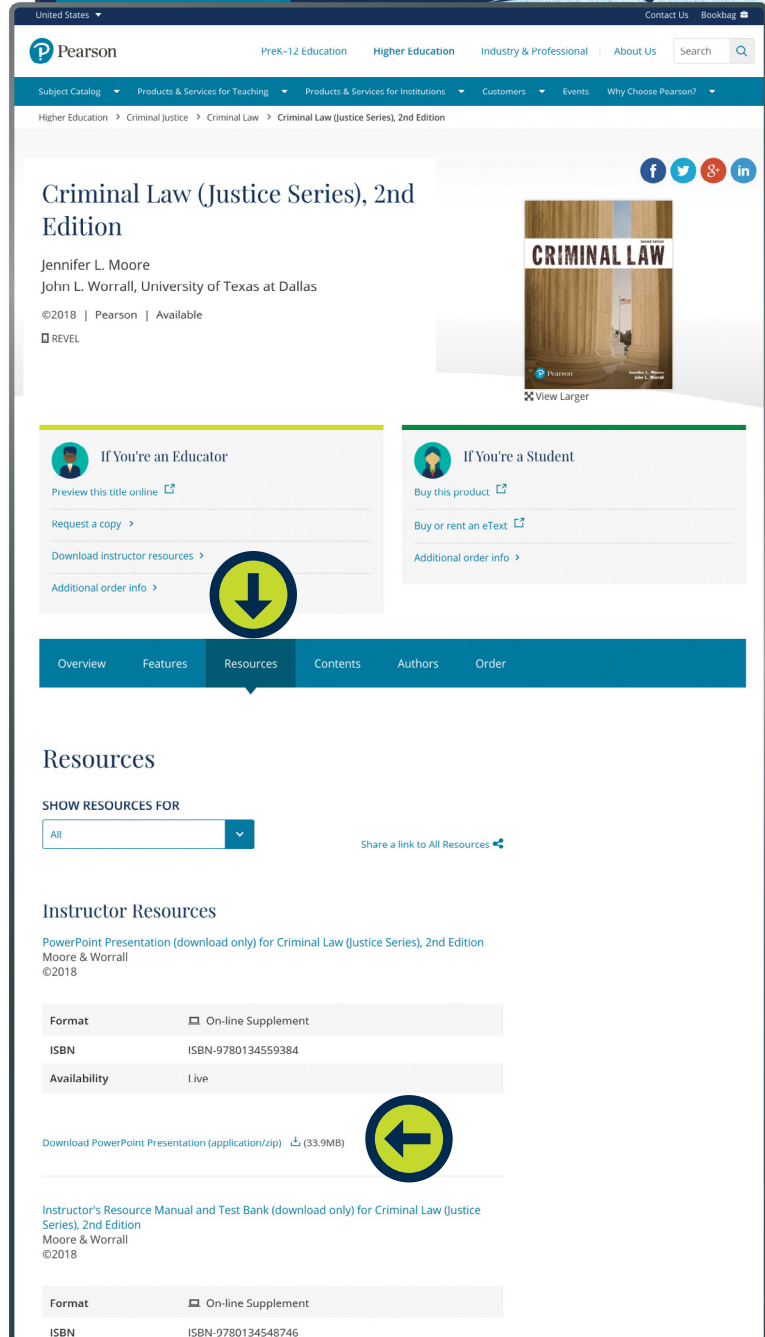

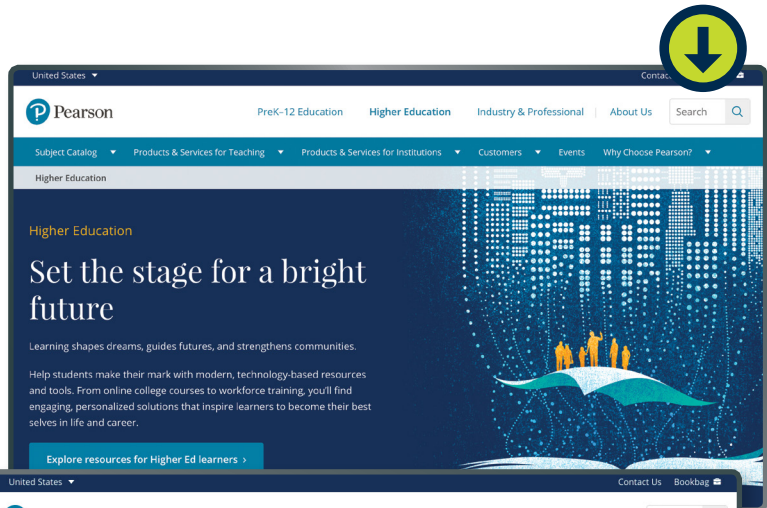

NOTE: To use TestGen, you must first download the software which is also available under Free Resources.
