Handwriting Reimagined

D'Nealian Handwriting, the original manuscript-cursive handwriting program, now provides full digital functionality on Savvas Realize. Engaging resources support hands-on, tactile handwriting skill development.

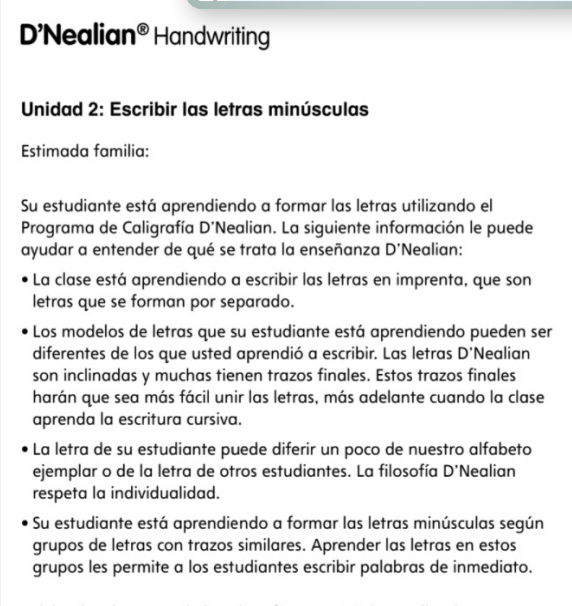

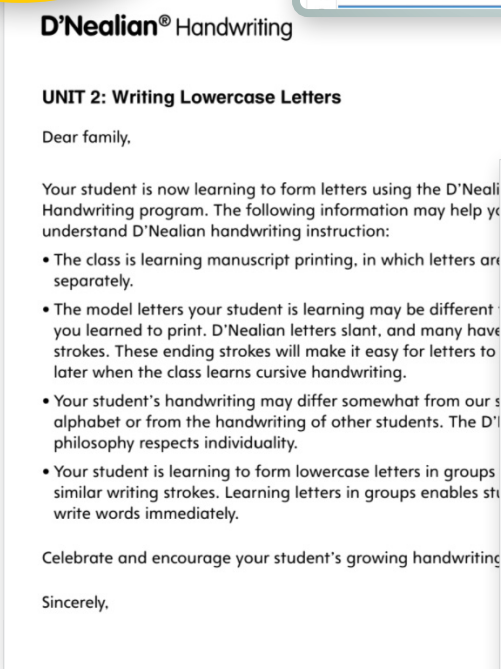

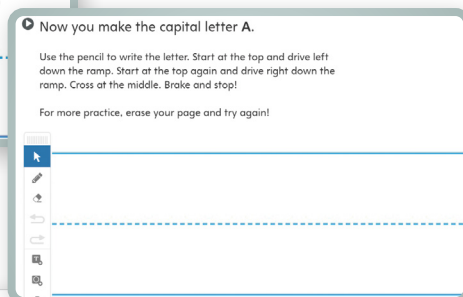

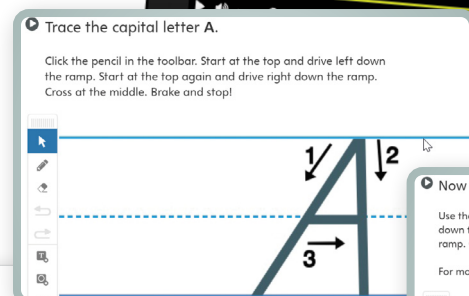

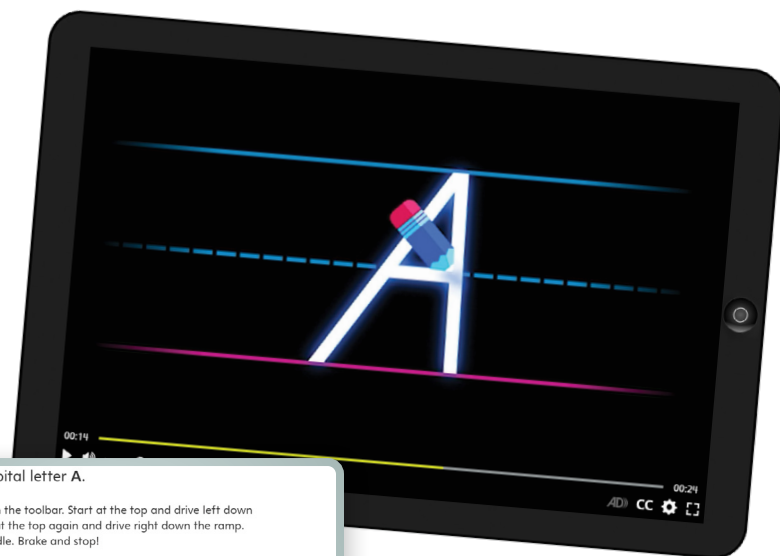

Robust Printable Resources

- Print-on-demand Student Edition PDFs
- Additional Practice worksheets for every lesson

Interactive Student Practice

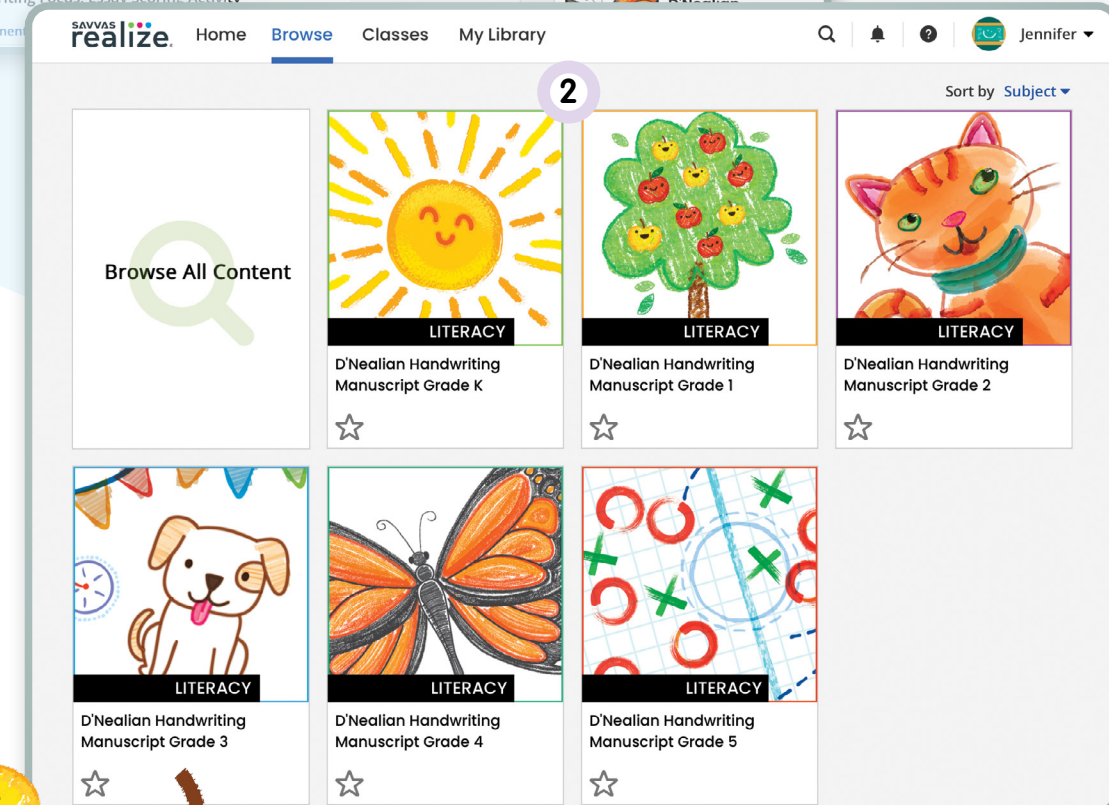

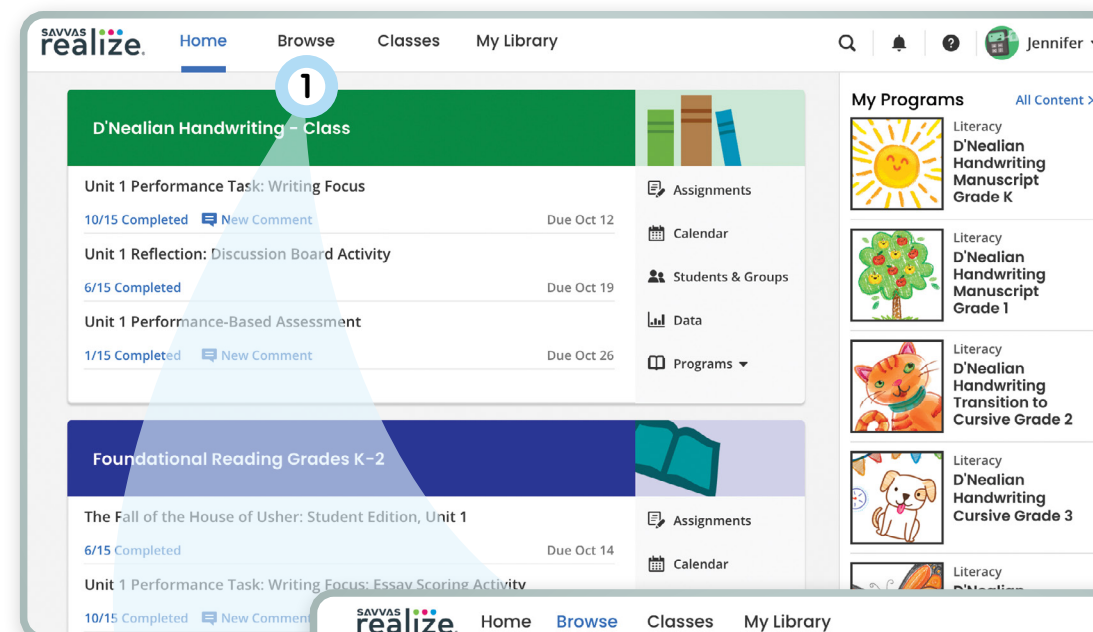

- Stroke Modeling Animation
- Trace the Letter
- Write the Letter

PLUS: Tracing Cards, Family Letters, and More!

Teacher Home Page

Welcome to *D'Nealian Handwriting* online. From the teacher home page, you can easily access your program, classes, assignments, and data.

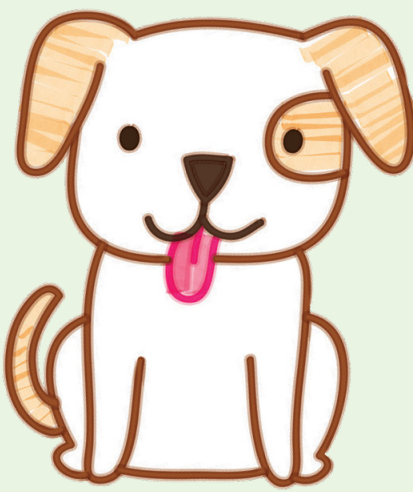

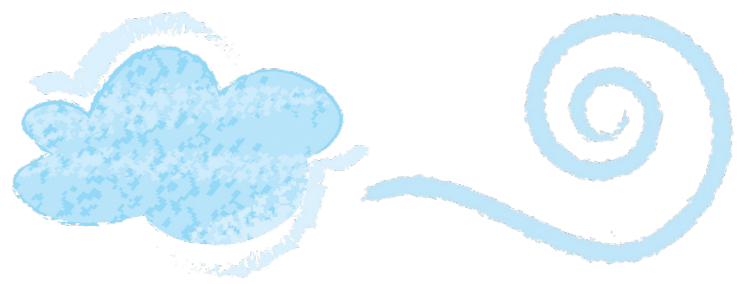

1 Click **Browse** to see all available grade levels.

2 Then, select your grade level.

Program Dashboard

Dynamic **search** lets you search and filter to find content. Search "**workbook**" in the search bar to access **Practice and Review Workbook**

The screenshot shows the Savvas Realize interface. At the top, there are navigation links: Home, Browse (selected), Classes, and My Library. A search bar is present with a magnifying glass icon. Below the navigation is the course title 'D'Nealian Handwriting Manuscript Grade K'. On the left is a 'Table of Contents' sidebar with items like 'Teacher Resources', 'Getting Started with D'Nealian Handwriting', 'Google Classroom Integration', 'Teacher's Edition', 'Student Edition', 'Practice Generator', 'Credits', 'Stroke Modeling Animations', and 'Tracing Letter and Number Cards'. The main area features a 'Browse by Category' section with icons for Books / Readers, Practice, Program Resources, Teacher Support, and Video / Audio. A search bar at the top of the main area contains 'Search resources', a 'Search' button, 'Filters', and 'Standards'. At the bottom, there is a card for 'Interactive Student Practice: Manuscript b' with 'Assign', 'Add to Playlist', and 'Info' options.

Access your complete **Teacher's Edition** here.

Access the **Student Edition** here.

Easily create **printable practice worksheets** from prebuilt templates.

Access **stroke modeling** for all numbers, plus all manuscript and cursive lowercase and uppercase letters.

Instructional Categories
View available resources by content type and choose an instructional category that aligns with your lesson.

Access **interactive student practice**.

Find English and Spanish **family letters**.

Assign content directly to individual students, small groups, or an entire class. Or **add to a playlist** as part of a larger lesson.

Once you've found the perfect lesson or activity, assigning is easy.

Assign Activities

- 1 Identify the activity you want to assign.
- 2 Click on **Assign** for a given activity.
- 3 Fill in the date and instructions, then enter a class, group, or student name.
- 4 Click on **Assign**.
- 5 Click on the **Classes** tab to add students, edit information, and form or manage groups quickly and easily.

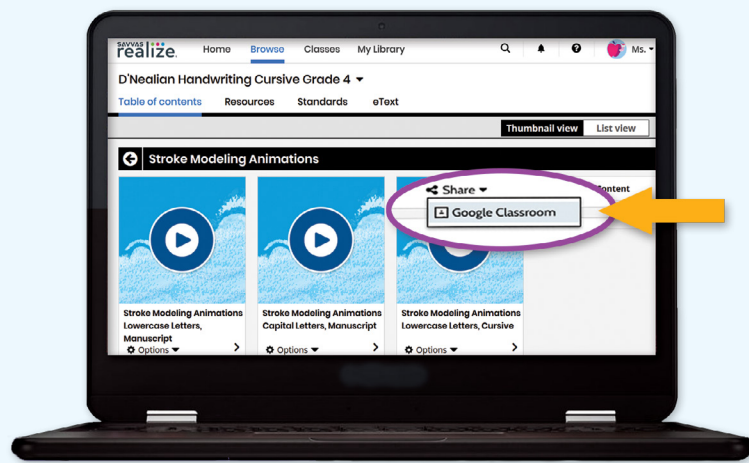

Make It Your Own with Playlists

- Rearrange content.
- Add your own links and information.
- Upload resources.
- Reorder content to match your district's scope and sequence.

Partnerships and Exclusive Tools

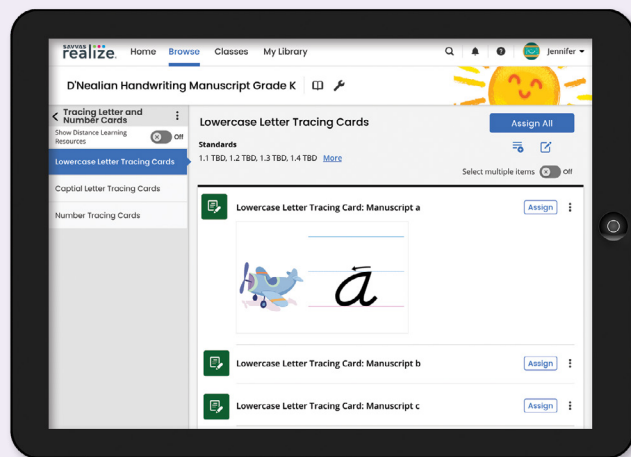

Google for Education + SAVVAS realize.

Google Classroom

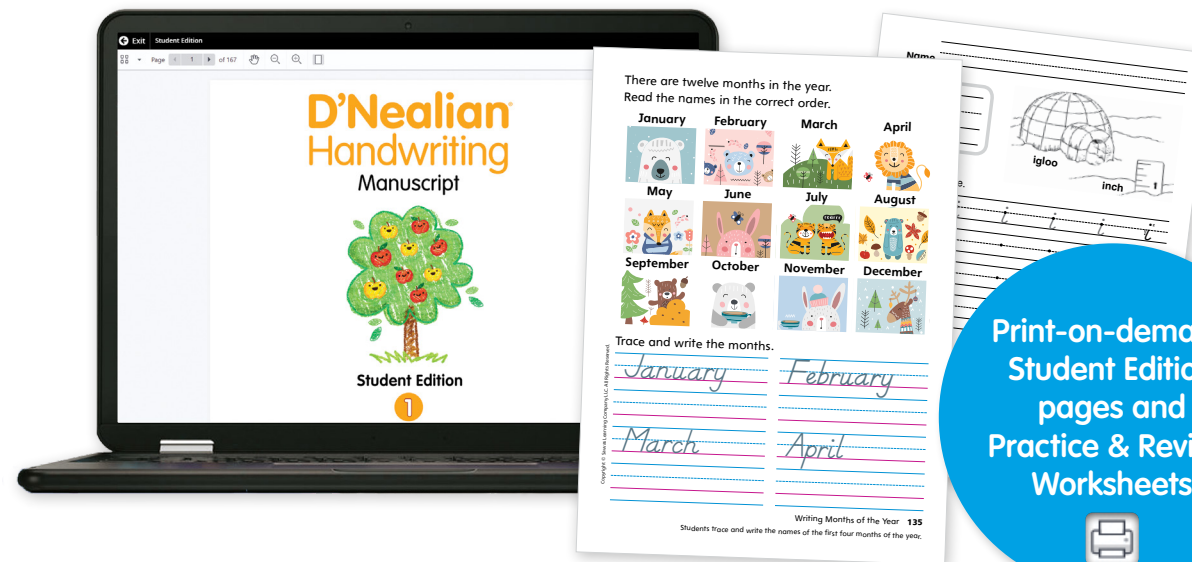

Share supported content from your Realize programs with your classes. Just click "Share Google Classroom" and Realize will do the rest for you.

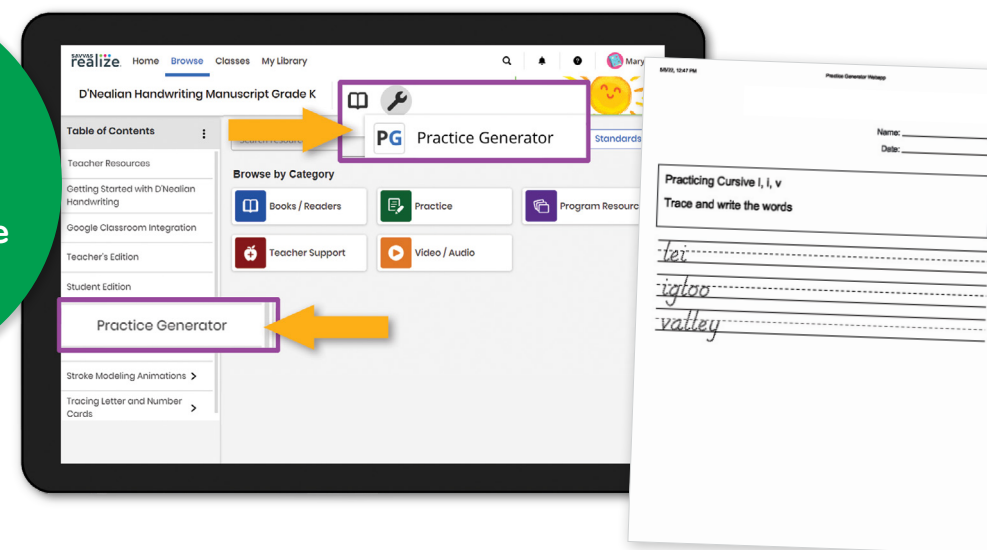

Google Drive

Add links from your Google Drive™ directly into your Realize lessons and quickly assign those links to your students.

Use the Practice Generator to quickly and easily create customized handwriting practice from pre-built templates

Secure Roster Sync

Be off and running when class starts. Sync your Google® Classroom rosters easily with Realize. Students log in once and have access to everything.

Assignment and Score Sharing

Assignable content shows in the student's Google Classroom stream. Completed work is shared and recorded in both Realize and Google Classroom.
