

Digital Path: Personalize Lesson Content with Edit Tool

Follow the Digital Path guidance to discover how to personalize lesson content with your own resources, hyperlinks and more.

Digital Path	Click to Discover
	<p>Log in to your Savvas Realize™ teacher account.</p>
	<p>Select your program from right side panel of click Browse to select from all available programs.</p>
	<p>Select the Topic and Lesson that you wish to personalize with your own content.</p>
	<p>Select Edit on the right side of your screen.</p>

	<p>Click the +Add, in the section you wish to add your personalized content. Select the appropriate option (Upload a file, Insert a link, add a title, leave a note, etc.) This can be a file you wish to upload, a hyperlink, or even just a note for students. It's up to you!</p>
	<p>In this example, we inserted a link for students to use and provided simple directions. When done, click Add.</p>
	<p>The new item will appear. Click Save to complete the process.</p>
	<p>The new content is now ready to be assigned to students as part of the lesson.</p> <p>You can select Assign All and assign it along with the rest of the content in the lesson.</p>
