

Savvas Realize Create, Edit, or Remove Discussion Prompts

Welcome

Hi, I'm Tracy, and I'd like to show you how to create, edit, or remove discussion prompts in Savvas Realize™.

Wouldn't it be great to have a tool that will allow your students to actively participate without feeling anxious about speaking in front of other students?

With discussion prompts on Savvas Realize, you do!

You can easily use discussion prompts to discuss key concepts, encourage critical thinking, and allow students to learn from each other.

In this tutorial, you'll learn how to create, edit, and remove a discussion prompt.

Edit a Discussion Prompt

The screenshot shows the Savvas Realize interface for a class named 'enV CA Gr 3'. The navigation bar includes 'BROWSE', 'CLASSES', 'DATA', 'MY LIBRARY', and 'CENTERS'. Below the navigation bar, there are tabs for 'Assignments', 'Calendar', 'Discuss', 'Students & Groups', and 'Class Settings'. The 'Discuss' tab is highlighted. Below the tabs, there are filters for 'View:' (The class assignments) and 'When:' (Entire class duration). There are also 'Show:' buttons for 'Current' and 'Hidden'. The main content area shows a table of assignments with columns for 'Title', 'Student status', 'Due Date', and 'Average'.

Title	Student status	Due Date	Average
Grade 3: Online Topics 01-04: Benchmark Teste	4/4 Completed	11/09/19 11:59pm	84%
Grade 3: Online Topics 09-12: Benchmark Test Copy 1	4/4 Completed	09/14/19 11:59pm	90%
Fractions and Sets: Visual Learning	4/4 Completed	09/07/19 11:59pm	100%
Grade 3: Online Topics 05-08: Benchmark Test Copy 1	4/4 Completed	09/07/19 11:59pm	90%
Placement Test	1/4 Completed	09/06/19 11:59pm	93%

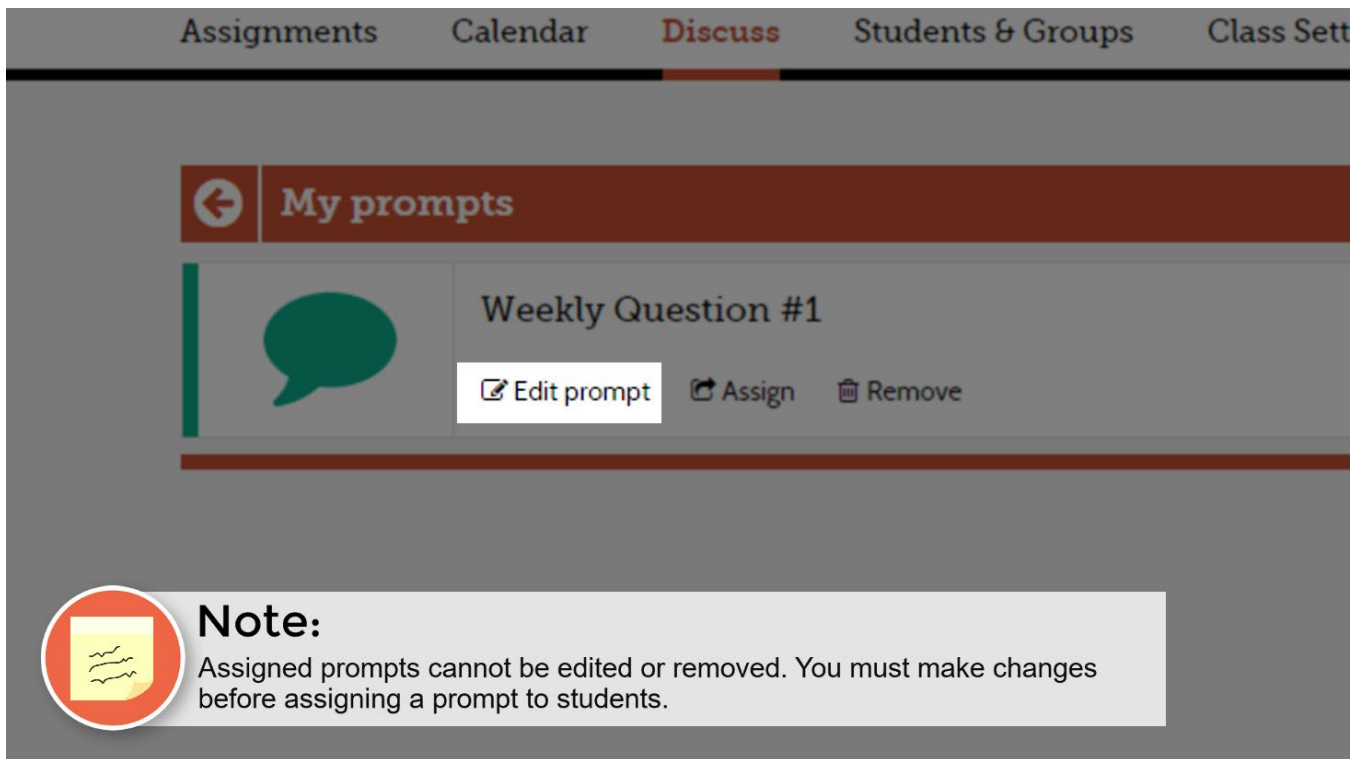

But, oh! Before we begin, keep in mind that prompts are not available to all districts and teachers.

If you do have access to prompts, I'll show you how to create one in sixty seconds or less!

Select CLASSES from the Savvas Realize home page.

Then, find the class you want to create a discussion prompt for, and select **Discuss** below the class name.

Edit a Discussion Prompt

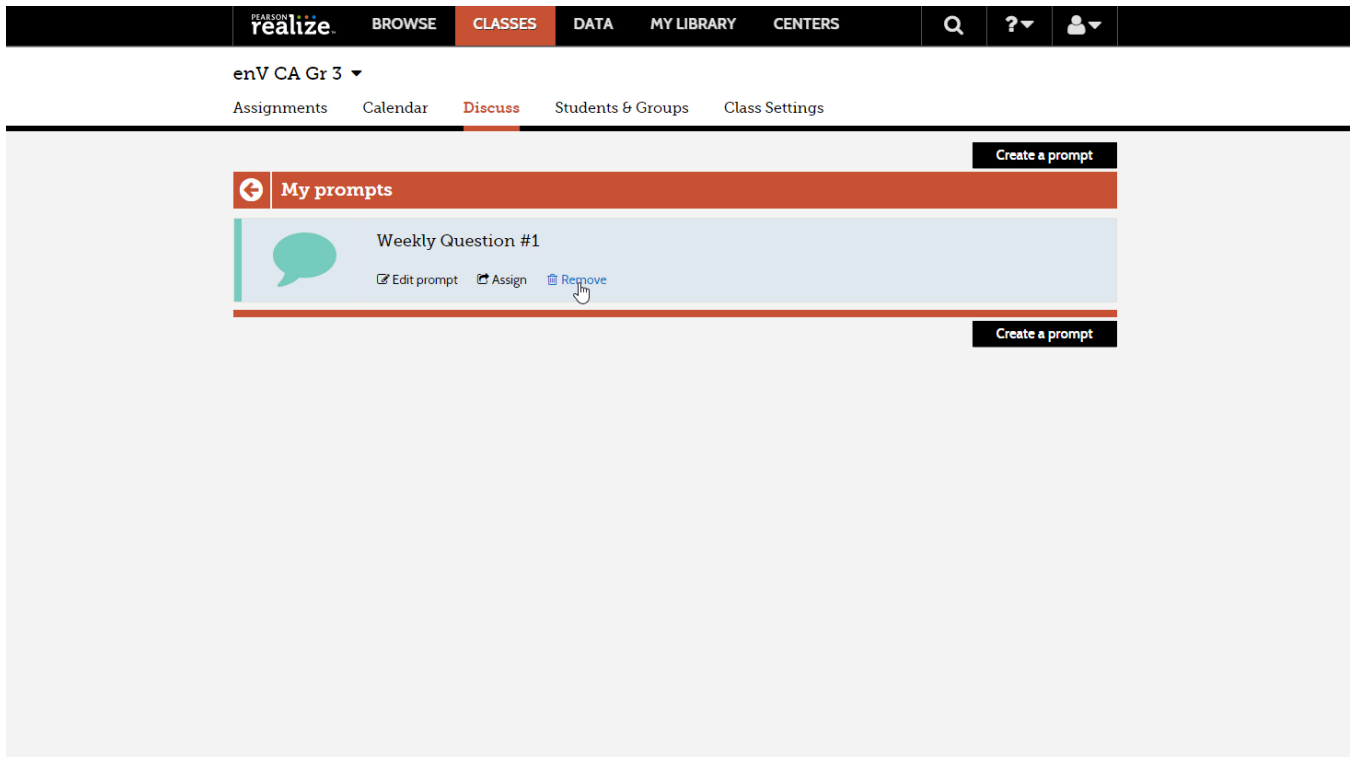

The screenshot shows the 'Discuss' tab selected in the top navigation bar. Below it, the 'My prompts' section is visible, featuring a green speech bubble icon and the title 'Weekly Question #1'. Three action buttons are present: 'Edit prompt' (with a pencil icon), 'Assign' (with a checkmark icon), and 'Remove' (with a trash can icon). A note box at the bottom left contains a yellow sticky note icon and the text: **Note:** Assigned prompts cannot be edited or removed. You must make changes before assigning a prompt to students.

You can quickly edit a prompt too.

To edit a discussion prompt, go back to My prompts, find the prompt you'd like to edit, and click **Edit prompt**. When you are done editing the prompt, click **Save prompt**.

Remove a Discussion Prompt

To remove a discussion prompt, go back to My prompts, find the prompt you'd like to remove, and click **Remove**. Then you're all set!

Thanks

Discussion prompts are a great way for you to interact with your students and also give them the opportunity to share and learn from each other. It's a win-win!

That's it for this tutorial. Thanks for watching, and don't forget to check out [MySavvasTraining.com](https://www.mypearsontraining.com) for more helpful resources!
