First, navigate to your log-in page. Enter the username and password your teacher gave you. Then click **Sign In**.

Choose Settings

The first time you log in, you'll need to choose your settings.

First, pick your preferred language.

Then select a profile icon that catches your eye.

Once you're done making your choices, click **Let's go!**

Homepage

The screenshot shows the Savvas Realize student homepage. At the top, there is a navigation bar with the Savvas Realize logo, a search icon, a help icon, and a user profile for Travis. Below the navigation bar, the main content area is titled "Algebra 1" and features a green header with mathematical symbols (+, -, x, ÷). The main content area is divided into two columns. The left column lists three lessons: "1-1: Savvy Adaptive Practice (Coming Soon)", "1-1: Critique & Explain", and "1-1: MathXL for School: Practice and Problem-Solving". Each lesson is marked as "Not Started" and has a due date: "Due Apr 28", "Due Apr 25", and "Due Apr 25" respectively. A "View All" link is at the bottom of this list. The right column is titled "My Programs" and shows a program card for "Math enVision Algebra 1 2024".

Now you're on your homepage! You can click **Browse** to see your lessons, **Classes** to see your assignments, and **Grades** to see your scores.

Let's click **Classes** for now to see how you'll complete your assignments.

Complete Your Work

The screenshot shows the 'Algebra 1' Assignments page. At the top, there are navigation tabs for 'Home', 'Browse', 'Classes', and 'Grades'. Below the page title, there are filters for 'Not started (4)', 'In progress (0)', and 'Completed (0)'. A list of assignments is shown with columns for assignment name and due date. The assignment '1-1: MathXL for School: Practice and Problem-Solving' is highlighted with a red box. To the right, the 'eText & Tools' sidebar lists resources like 'Student Edition: Algebra 1', 'Libro del estudiante: Álgebra 1 (Coming Soon)', and 'Interactive Student Edition: Algebra 1'. At the bottom, a blue banner says 'Click the assignment or question to get started.'

Assignment Name	Due Date
Interactive Student Edition: Algebra 1 Lesson 1-1	04/21/23 11:59pm
1-1: Critique & Explain	04/25/23 11:59pm
1-1: MathXL for School: Practice and Problem-Solving	04/25/23 11:59pm
1-1: Savvy Adaptive Practice (Coming Soon)	04/28/23 11:59pm

Your teacher might give you assignments to complete in your Student Edition, in your *Student Companion*, or online.

Your online assignments will be listed on the Assignments tab to help you keep track of your work.

Use the tabs to see the list of assignments that you need to do, the in-progress work you've started, and your finished work.

If your teacher assigns discussion questions, you'll find them on the Discuss tab.

Click the name of an assignment or question when you're ready to work on it!

eText and Tools

The screenshot shows the Savvas Realize interface for an Algebra 1 class. At the top, there are navigation tabs for Home, Browse, Classes (selected), and Grades. A search icon, a help icon, and a user profile for Travis are also visible. Below the navigation, the page title is "Algebra 1" with sub-tabs for Assignments and Discuss. A progress bar at the top of the assignments section shows "Not started (4)", "In progress (0)", and "Completed (0)". The main content area displays a list of assignments with columns for assignment name and due date. The "eText & Tools" sidebar on the right is highlighted with a red border and contains several resources:

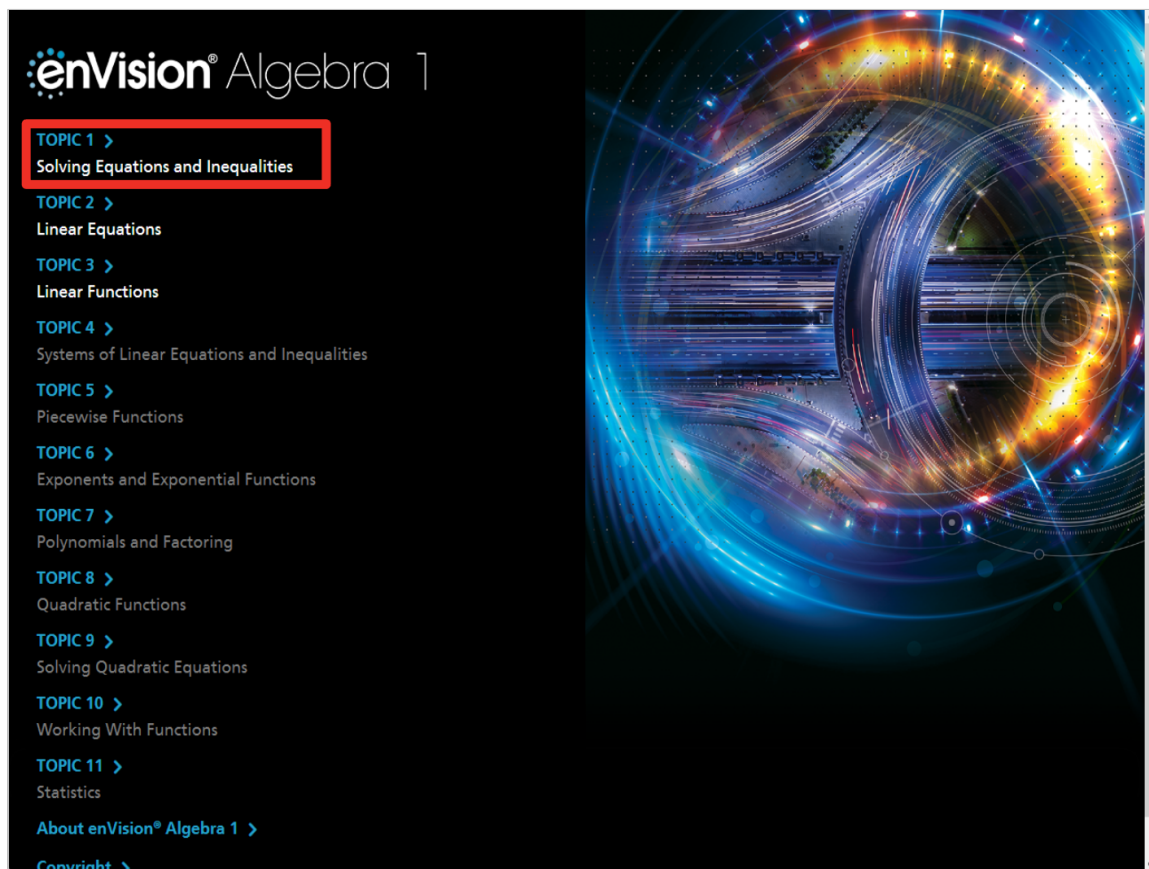

Assignment Name	Due Date
Interactive Student Edition: Algebra 1 Lesson 1-1	04/21/23 11:59pm
1-1: Critique & Explain	04/25/23 11:59pm
1-1: MathXL for School: Practice and Problem-Solving	04/25/23 11:59pm
SAVVY 1-1: Savvy Adaptive Practice (Coming Soon)	04/28/23 11:59pm

The "eText & Tools" sidebar includes the following items:

- Student Edition: Algebra 1
- Libro del estudiante: Álgebra 1 (Coming Soon)
- Interactive Student Edition: Algebra 1
- Math Tools
- Glossary
- Desmos Graphing Calculator
- Desmos Geometry
- Desmos Scientific Calculator

There are also a variety of digital tools to help you with your work. In the eText and Tools section, check out your online textbook, the Interactive Student Edition: Realize Reader. There are also digital Math Tools, an animated Glossary, and interactive Desmos tools. Dig in to these powerful tools as you work on your lessons and assignments.

Realize Reader

Let's look at some of the features in your online textbook now. Click the name of your eText to open Realize Reader.

Click **Open in new window**.

Click the name of a topic or open the Menu for more options. Open the Table of Contents and click the arrows to find what you're looking for.

Use the Back and Next buttons to flip through the pages.

When you see the More button, click it for information and tools that can help you solve the problems.

And be sure to take advantage of the other options in the Menu. You can bookmark your place in your eText, add comments and highlight important information, and take notes.

Closing

Thanks for learning more about **enVision** Mathematics and Savvas Realize today.
Have a great school year!
