

Hi, students and families!
Welcome to **Savvas Realize**. This guide will help you learn how to:

- Navigate the **Dashboard**

- Complete **assignments and tests**

- View **grades and feedback**

- Read **Digital Texts**

- Use the **Discussion Board**

- Complete work in **Google Classroom™**

Log In

Follow these steps to log in to your *myView Literacy* digital resources.

Step 1: Go to [SavvasRealize.com](https://www.savvasrealize.com) to find your resources, tools, assignments, and scores—all in one place!

Step 2: Enter the **username** and **password** your teacher gave you.

A screenshot of the Savvas Learning Company login page. The page has a white background with a blue and teal geometric pattern on the left. At the top, the "SAVVAS LEARNING COMPANY" logo is displayed. Below the logo are two input fields: "Username" and "Password". The "Password" field has a small eye icon to its right. Below these fields is a grey "Sign in" button. A blue arrow points from the right side of the page towards the "Sign in" button. Below the "Sign in" button are two links: "Forgot your username or password?" and "Assistance with Savvas Sign In". Below these links is a horizontal line with the word "or" in the center. Below the line is a paragraph: "For Savvas EasyBridge Plus and Auto users, search for your school district's sign in options." Below the paragraph is a search input field with the placeholder text "Type your district name" and a magnifying glass icon. Below the search field is a link: "Can't find your district?".

Step 3: Click **Sign In**.

Navigate Your Dashboard

Welcome to your **Dashboard**! This is your home page. You can always get here by selecting the Savvas Realize icon at the top left of the menu bar on any page in Savvas Realize.

The screenshot shows the Savvas Realize dashboard interface. At the top left is the Savvas Realize logo. The navigation menu includes 'Home' (selected), 'Browse', 'Classes', and 'Grades'. On the right, there is a search icon, a help icon, and a user profile for 'Annie'. The main content area is titled '3rd Grade Class' and features a green header with a globe icon. Below the header is a table of assignments:

Assignment Name	Status	Due Date
Weird Friends: Unlikely Allies in the Animal Kingdom	Not Started	Due Sep 22
UNIT 2 Trade Book: Wetlands	Not Started	Due Sep 23
U2 W2 Developing Cold Reads for Fluency and Comprehension (Online)	Not Started	Due Sep 24

Below the table is a 'View All >' link. To the right of the table is a sidebar with a 'My Programs' section, which includes a cartoon character icon and the text 'Literacy myView Literacy 2020 Grade 3'. A vertical menu on the right side of the dashboard includes 'Assignments', 'Discuss', 'Grades', and 'Programs' (with a dropdown arrow).

- **Browse or Programs:** View the content your teacher has selected for your classes, like your Student Interactive.
- **Classes or Assignments:** Complete the assignments and tests your teacher has assigned.
- **Grades:** See how you've done on your assignments and tests.

Complete an Assignment

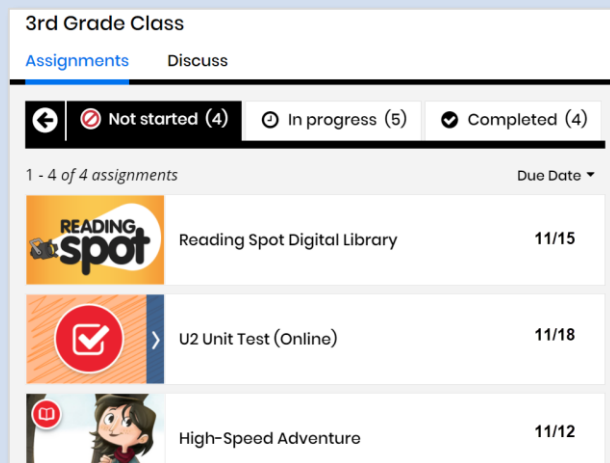

The **Classes** tab lists your assignments and gives you access to texts, videos, and games.

Step 1: Click Assignments.

Step 2: Look at the assignments in each tab.

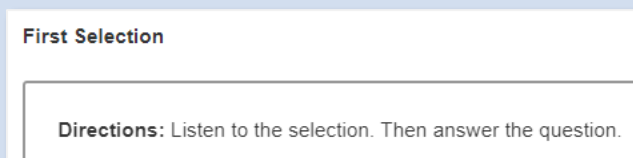

- **Not Started** – This is a new assignment.
- **In Progress** – You have opened or started this assignment but have not finished it.
- **Completed** – You have finished this assignment and turned it in.

Step 3: Click an assignment to open it.

Step 4: Read the directions.

Step 5: Complete the work. Click Turn In or Send to Teacher.

Complete a Test

The **Classes** tab lists your **tests** too.

Step 1: Click **Assignments**.

Step 2: Find the test you need to complete in the **Not started** or **In progress** tab. Click to begin.

Step 3: Read the directions.

Directions: Read the question. Choose the best answer.

What sentence from the selection gives a detail about the setting that shows why Fox is hungry?

Step 4: Click **Next** to move to the next question. Make sure to answer all the questions.

Step 5: Complete the test. Click **Submit test** to send it to your teacher. You cannot make changes after you submit. For auto-scored tests, you will see a **Summary Score** and areas where you need more practice after you submit.

View Your Grades and Feedback

After you **finish your work** you can **see how you did**.

Step 1: Click Grades.

Step 2: The graph shows all assignments automatically graded by the system. Click a bar to see how you did on each one.

Step 3: Scroll down to view your Progress. Check to see if you have completed your tests and assignments on time.

Step 4: Click individual assignments to see your scores and feedback from your teacher.

	Submitted	Status	Score

Read Digital Texts

Read your **digital books** at home!

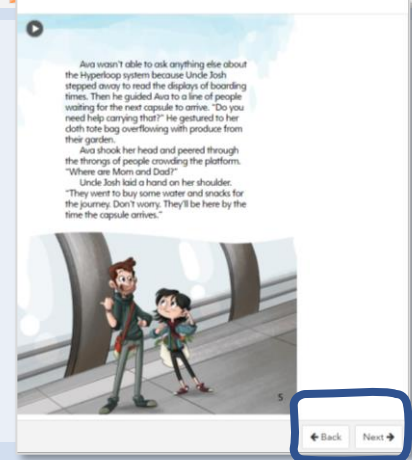

Step 1: Click Assignments.

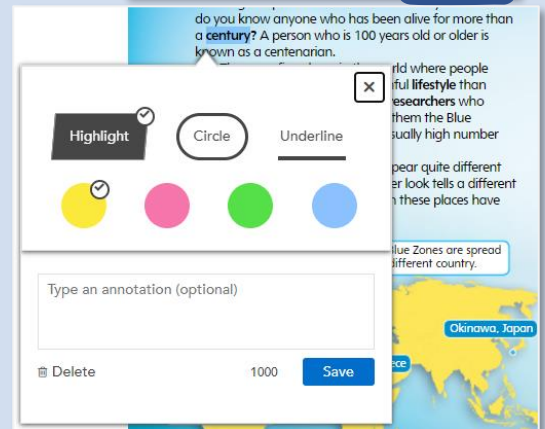

Step 2: Select an assigned text from your Assignments list.

Step 3: Open the book. Click Back or Next to navigate.

Step 4: To highlight and take notes, select a word, sentence, or paragraph. Then click **Highlight, **Circle** or **Underline** and choose a color.**

Step 5: Type your notes or questions. Click Save. If this book was assigned to you, your teacher will see your work.

Read Digital Texts (continued)

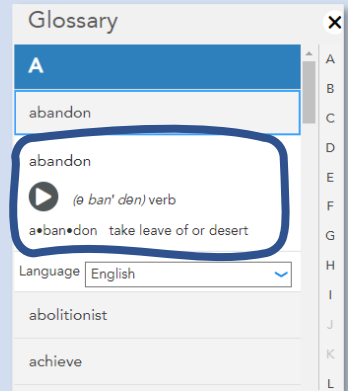

Here are some other helpful tools you can use as you read.

Glossary

Step 1: Click the **Glossary** from the **Menu** to view glossary words in the side panel.

A-Z Glossary

Step 2: Click a glossary **word** to display the definition.

Audio and Video

Some books have videos. Click **play** to watch the video before you read.

Click **play** on any page to listen to the recorded audio.

Respond to a Discussion Prompt

Your teacher might assign prompts in the **Discussion Board**. You can use this board to participate in class discussions, reflect on learning, share ideas and opinions, or ask and answer questions.

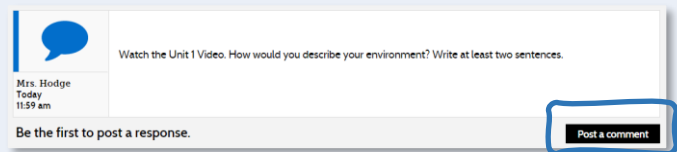

Step 1: Click Discuss.

Step 2: View the prompts under Active Discussions. Click a prompt to open it.

Step 4: Click Post a Comment.

Step 5: Type your response in the box. You can also attach files if needed.

Step 6: Click Post my comment. Your teacher and classmates will be able to view it.
