*Inspired by you* .....

## McGraw-Hill *Wonders* and Savvas *myWorld Interactive*

Correlations to help you use Savvas *myWorld  
Interactive* with your reading program

Dear K-6 Educators,

Savvas is committed to providing a complete spectrum of personalized education solutions to meet your specific needs. Written and evaluated by renowned authors and experienced educators, Savvas delivers curriculum in print, digital, and blended formats to help teachers create more moments of true understanding that lead to higher achievement in the classroom and beyond.

Savvas *myWorld Interactive* actively engages students inside and outside of the classroom with innovative media, activities, and unprecedented support for all learners. The program is designed to be flexible to your teaching needs and styles as well as adaptive for the time you have to teach Social Studies.

To show you how Savvas *myWorld Interactive* can be integrated into your classroom and curriculum alongside other programs and disciplines, we have created the following Planning Guide, which correlates our Social Studies program with Reading programs you may already be utilizing. This guide highlights thematic connections that exist between Savvas *myWorld Interactive* and McGraw Hill's *Wonders* program, to help you plan and build your lessons effectively and efficiently.
