3. Assigning *Momentum Math* Diagnostic (BOY)

Administrators will determine who will assign the *Momentum Math* BOY Diagnostic assessment.

A) Admin-Assign

Administrators can assign the BOY Diagnostic on behalf of teachers, helping to save time and streamline the process for all teachers involved in these assessments.

Important Note: Wait until rosters are finalized and classes are set up before assigning BOY Diagnostic on behalf of the teachers.

Check to see if a *SuccessMaker* Assignment has been created:

- Log in to *SuccessMaker* and access your Teacher Dashboard.
- Select the *SuccessMaker* assignment on the right-hand side (located under Announcements).

- Here you will see the students who have been assigned a *SuccessMaker* course after submitting their *Momentum Math* BOY Diagnostic.
- Once you have confirmed that students have a *SuccessMaker* placement, they may log in and begin using the program.
