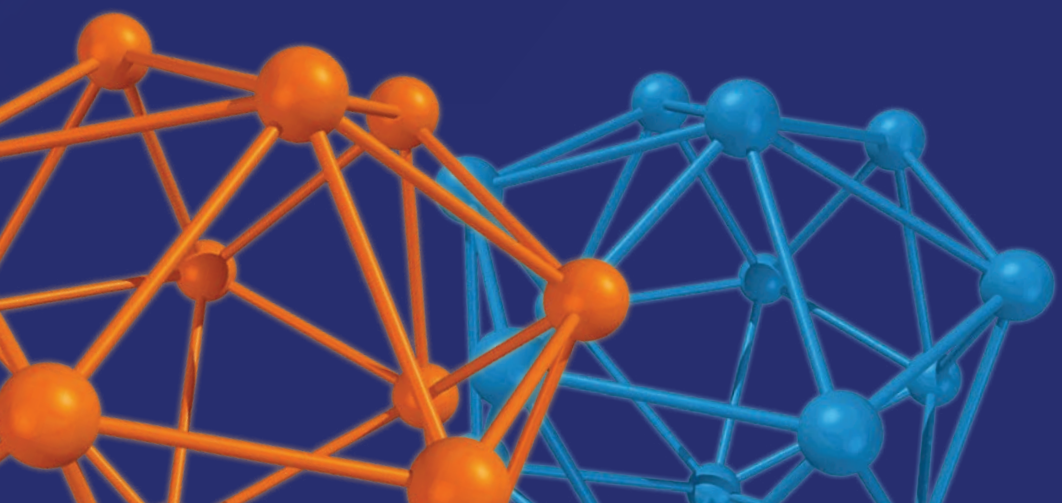
THE FLINN LAB EXPERIENCE

Experience Chemistry in the Earth System

More labs, more inquiry, more virtual simulations!

New! *Experience Chemistry* takes inquiry to a higher level. An exclusive partnership with Flinn Scientific, the leading classroom lab solution provider, challenges students, advances science inquiry, and saves you time. Labs include hands-on and virtual reality simulations. All labs are standards-based, tested, and ready to go—track student performance on digital dashboards. Experience *IT!*

EXCLUSIVE PARTNERSHIP WITH FLINN SCIENTIFIC



THE FLINN LAB EXPERIENCE

Hands-On Labs

Assign student-friendly labs focused on real-world phenomena in every learning experience.

Customize your lessons with **four versions of every lab** including Open-Ended, Guided, Shortened, and Advanced.

Lab Videos

- Background videos engage and connect students to the phenomena while introducing the lab.
- Demo videos prepare teachers and students for lab set-up.
- Summary videos revisit lab concepts while preparing students for assessment.

Lab Kits

Simplify lab set-up and solution preparation with time-saving lab kits.

Virtual Reality

Immerse your students 360° simulations that bring chemistry to life.

Experience *IT!* It's the Science of Doing.
