## STUDENT RESOURCES

### NCCERconnect Access

# ▶▶▶ IMPORTANT ◀◀◀ ACCESS CODE CARD INFORMATION

In addition to providing an eBook of the textbook, **NCCERconnect** enhances student learning with a range of visual, auditory, and interactive elements. **Student Access Code Cards** provide registration codes to access your titles on NCCERConnect. The Access Code Cards are found in the shrink wrap with the text.

Use Student access codes to register here: **NCCERconnect.com**

What to do if there are multiple cards? If you have multiple cards to provide access codes over a period of years, portion out one per student for current year use and save the remainder for your use in future years. Subsequent years' access code cards will not be shipped out. **You will need to retain these!**
