Explore the eTexts.

Click **eText** at the top of the page.

Click **Teacher eText**. The eText will open in a new window because it is located on a different platform.

You can navigate the eText in a few ways:

- Use the navigation arrows in the top left.
- Jump to a particular page by typing the page number in the box.
- Select from the Table of Contents menu on the left. (Click the gray bar to open the Table of Contents.)

Use the annotation tools to highlight text, bookmark pages, and add notes.

Return to the Savvas Realize platform and click **Student eText**. The Student eText can also be accessed from within lessons or various activities. This eText will also open in a new window.

Explore the following:

- Under Menu, select **Table of Contents** to search for particular lessons.
- Use the Search tool to search for specific lessons, standards, and activities.
- Under Menu, use the interactive Notebook to record and review notes and entries.
- Use the Audio feature.
