Instructions for Downloading FLORIDA Exam*View*®

From inside your FLORIDA Course, select **"Tools"**

Instructions for Downloading FLORIDA Exam*View*®

From the Tools menu, select **"Assessment Download Center"**

Instructions for Downloading FLORIDA Exam*View*®
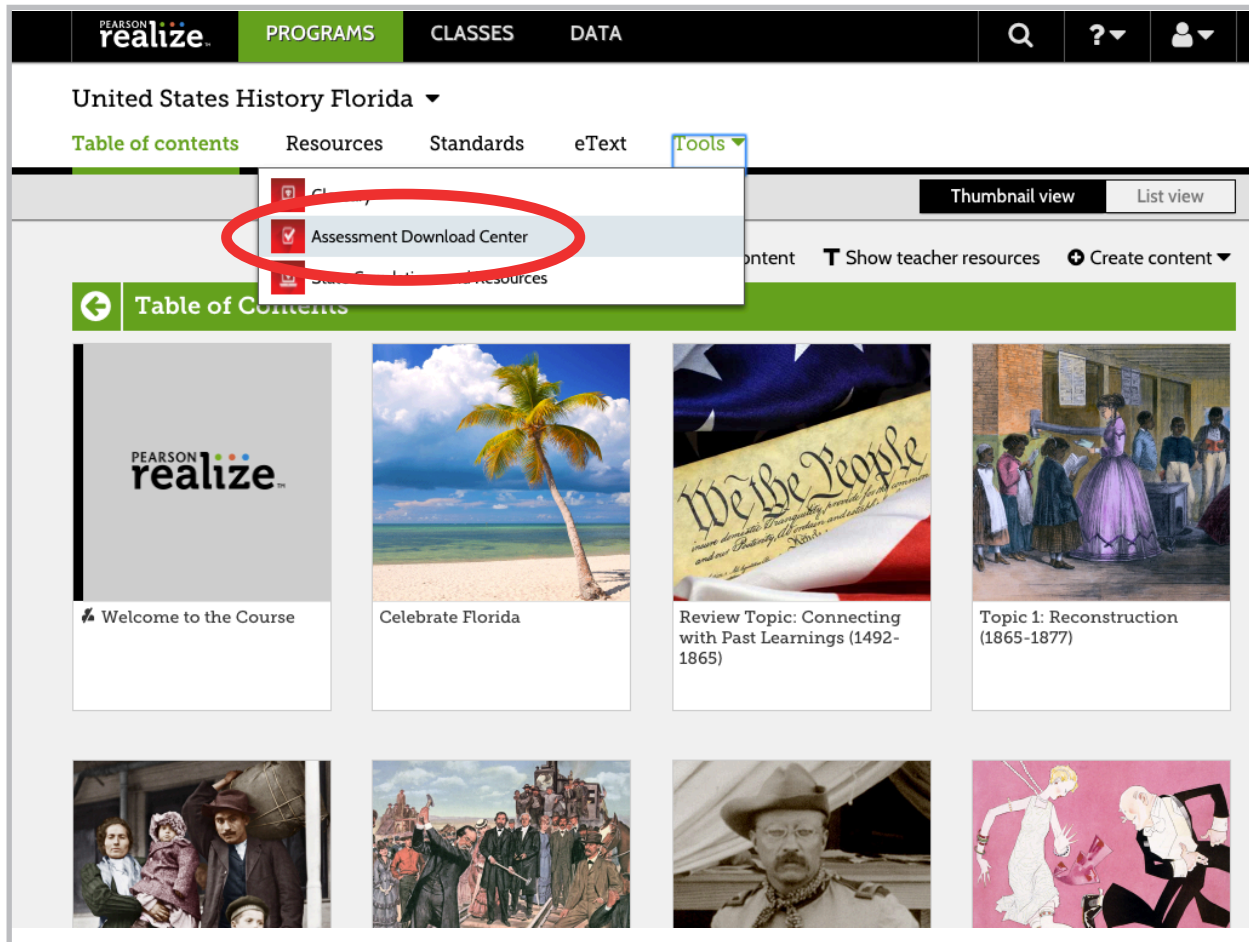

The below window will appear with instructions on downloading Exam*View.*

<div style="border:1px solid #999;">

## Assessment Download Center

Instructions

The Exam*View* software, testbanks, and supporting documents are gathered together in .zip files. To download and install Exam*View:*

- Click on the WIN or MAC link under the title you desire.

- Your browser may ask you whether you want to open or download the file. If so, choose download, and if prompted, select a download location. (on Windows 7+, downloads typically go into the Downloads folder on your desktop).

- Unzip the files with a program that opens .zip files.

- Double-click on Setup.exe (Windows) or ExamView Installer .pkg (Machintosh) and follow the prompts to install the software.

Instructions for Downloading FLORIDA Exam*View*®

Scroll to **"Downloads"** section and select the **"Test Bank"** your want. If you are a MAC and PC user, follow the prompts to download Exam*View.*

Instructions for Downloading FLORIDA Exam*View*®

You will be prompted to download Exam*View* software to your computer.

You can verify the download on your computer from your program files.

On a MAC:
1. Open Finder window and select Applications.
2. Locate eInstruction folder.
3. Open the Exam*View* Pro folder.
4. Open the Banks folder
5. You will then see your downloaded content as shown below
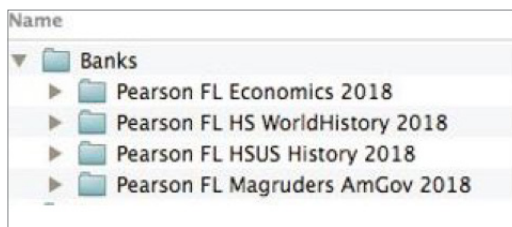

On a PC:
1. In your search menu, type programs
2. Locate the eInstruction folder.
3. Open the Exam*View* folder
4. Open the Banks folder
5. You will then see your downloaded content as shown below.
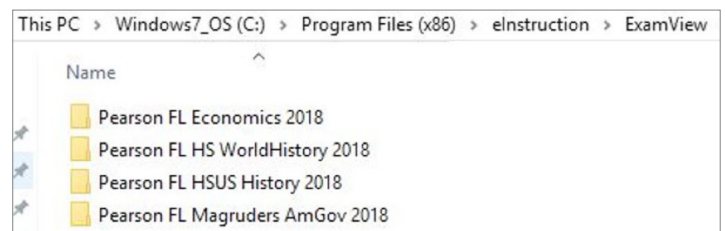

If you have not used Exam*View* before, you will need to create an account. The most important part is the **State/Region field** where you must enter **"FL". This selects Florida Standards for use.**
