

ReadyGEN

A new generation of literacy instruction

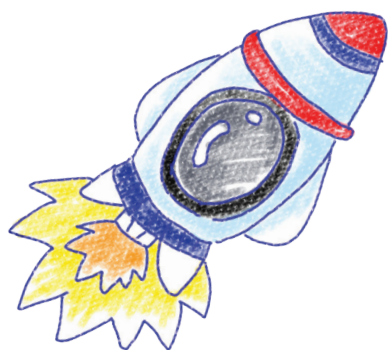

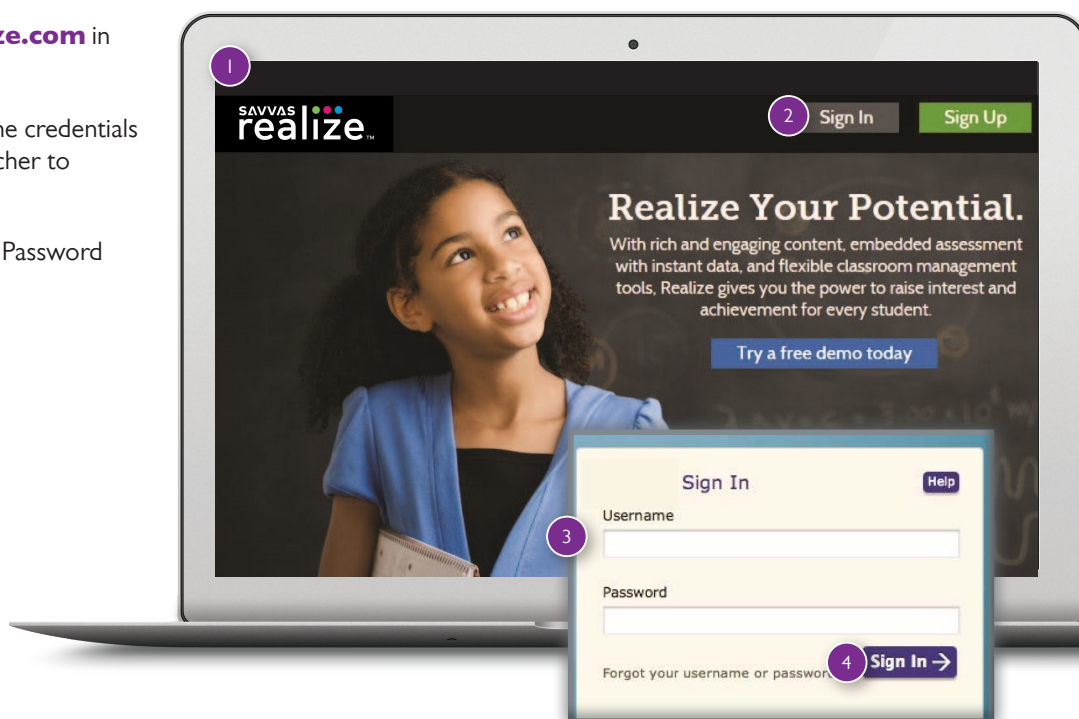

ReadyGEN is a K-6 integrated literacy program that accelerates learning for all by presenting modeled reading experiences with authentic text, with time for students to practice, build motivation, engagement, and stamina.

You may have received a letter from your child's school recently about home access of **ReadyGEN** on Savvas Realize. This page is intended to help you get started quickly using the log-in credentials established by your child's teacher.

- Build background and encourage the love of reading with interactive Anchor Texts and Independent Reading Activities that allow your child to record as they read.
- Ask your child to show what they know through interactive games that promote generative vocabulary and foundational skills instruction.

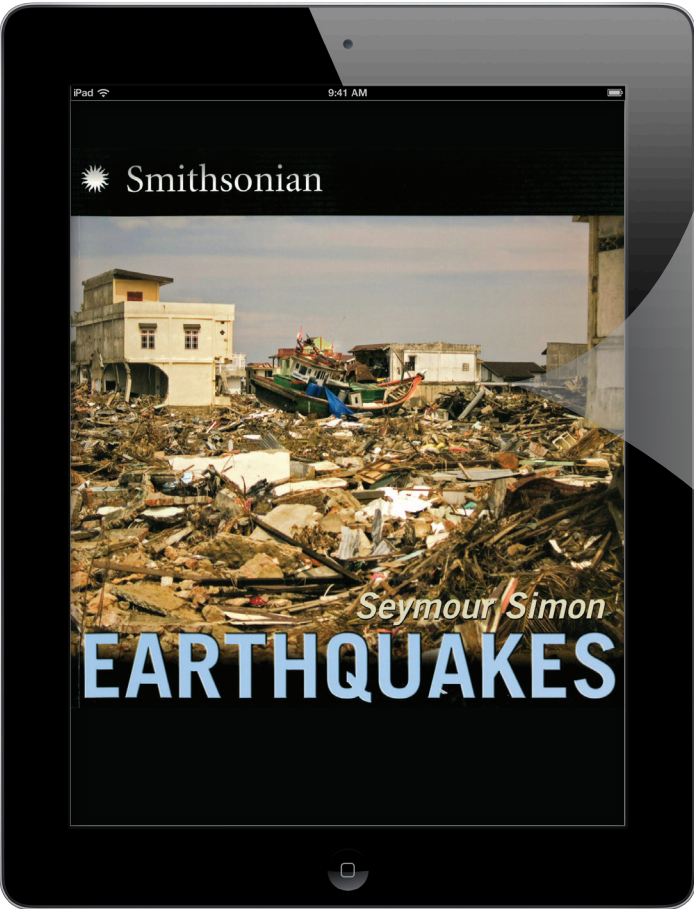

Reinforce close reading, writing, and retelling skills
 with activities aligned to the *ReadyGEN* texts,
 writing modes, and Enduring Understandings.

Engage Students and Increase Their Ability to Access Every Text

ReadyGEN is the only elementary literacy program that puts a library of 12 authentic trade books in the hands of every child.

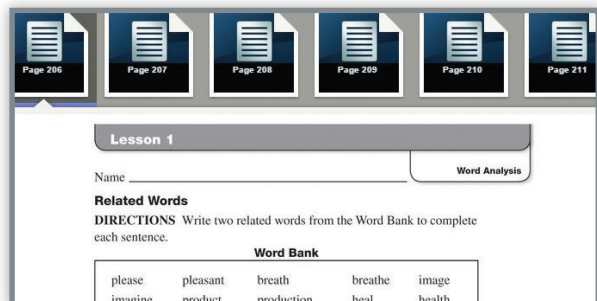

Digital access to every selection presents a shift in students' behavior from passive to active learning. Audio, highlighting, bookmarking, and note-taking keep students engaged.

Extend Learning with School-to-Home Activities

Reader's and Writer's Journal

Teachers can assign students pages in their digital portfolio.

Monster Word Mania

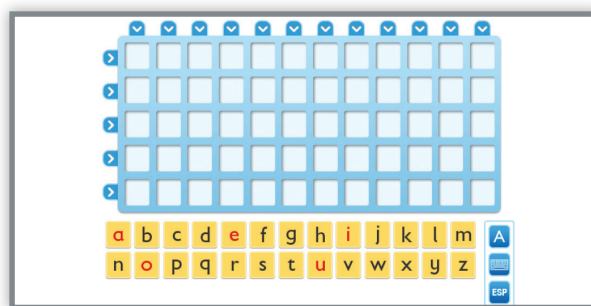

Challenge students to generate new words online.

Envision It! Animations
