

---

**Try Again**

A Try Again button means you can attempt the activity more than once. Your teacher may require you to try again if your score is too low on your first attempt.

---

**Lesson Activities**

Your teacher may assign a lesson for you to watch. The lesson activities offer an option to open an expanded view from the Options menu. Selecting **Open Expanded View** displays the status of each part of the lesson, indicating which parts you have already viewed.

---

**Practice**

Did you know you can review and preview lessons to help you study and remember what you learned in class?

Click **Practice** to view lessons and other class materials for exploration and practice.

Keep in mind that when you preview class lessons or activities from the Practice view, your work is not saved or graded. Only assigned activities can be submitted for grading.

---

**More Options**

The class home page contains several other options that may be helpful.

Click **More** to access a drop-down menu that gives you access to the Calendar, Grades, and Reports.

In the upper-right corner, click **Messages** to view announcements or send an e-mail to another student or your teacher.

Click **Help** to view the help files.

Click **Tools** to open Math Tools you can use while you work on your homework.

Click your name to reveal a drop-down menu with two options: My Profile and Sign Out.

Click **My Profile** to change your user name, password, and language preferences.

Click **Sign Out** to end your digits® Texas session.

---

**Tooltips**

If you are not sure what a button or icon does, move your pointer over it, and a tooltip will appear. It will not take you long—you will be an expert in no time!

Remember that you cannot break anything, so take some time to look around and see what your class has to offer.

---

**Help and Support**

If you have questions or need technical assistance, you can e-mail or call digits® Texas Support.

---

**Review**

This guide showed how to log in to your digits® Texas student account, check your grades and assignments, and begin working in digits® Texas.
