

Accessing Desmos tools inside of enVision+ Mathematics

Steps to Success:

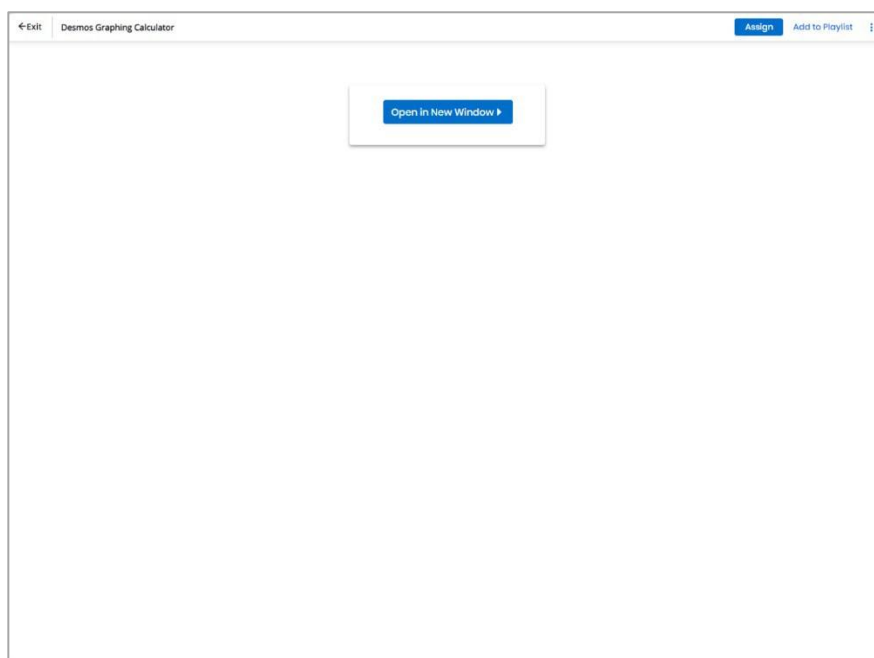

1. Find the Tools icon in the upper right area of the dashboard screen.

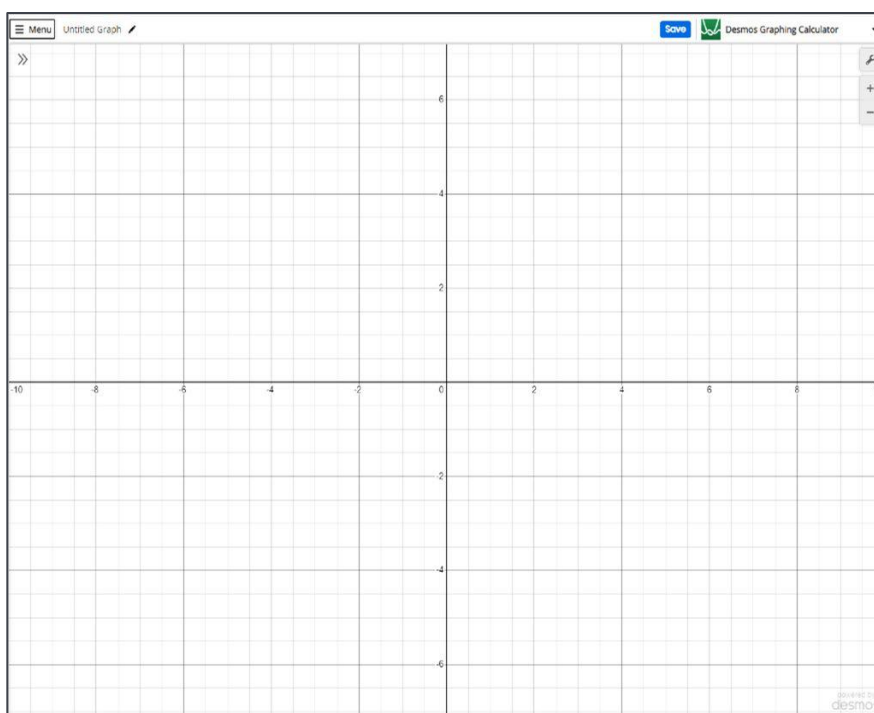

2. There are multiple options of Desmos tools to select. Options will depend on your grade level. The three options you may see are the Graphing Calculator, Scientific Calculator, or Geometry tools all powered by Desmos.

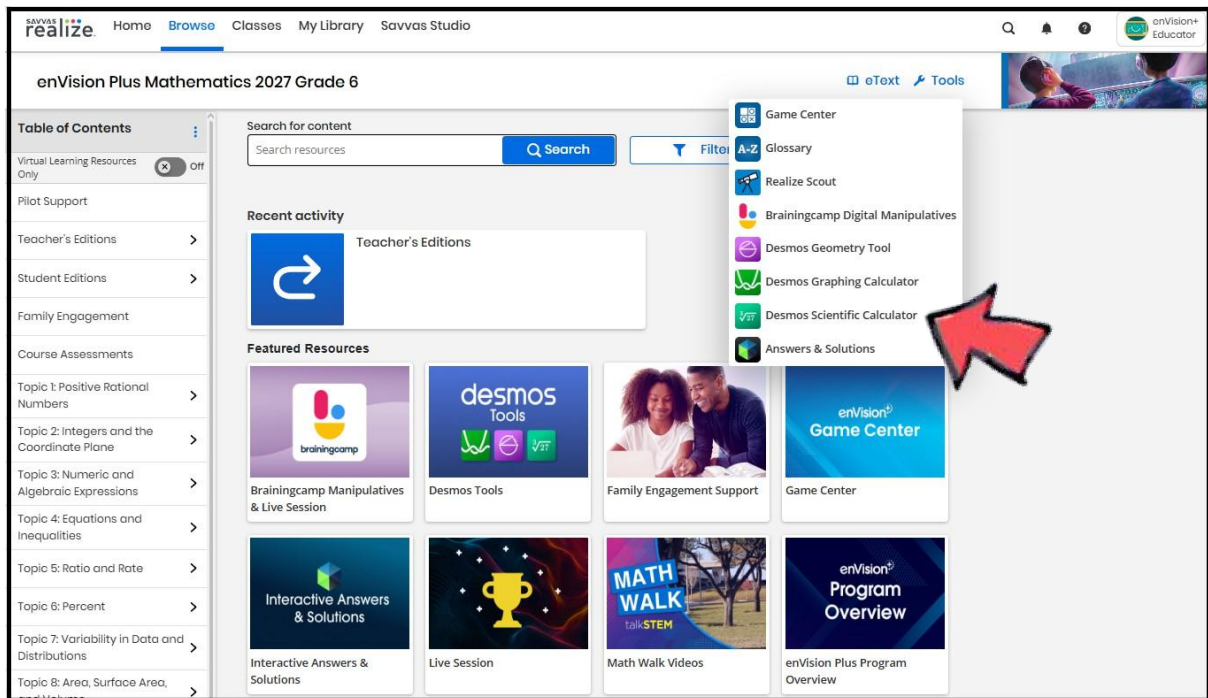

3. Click **Open in New Window** to access the Desmos Graphing Calculator.

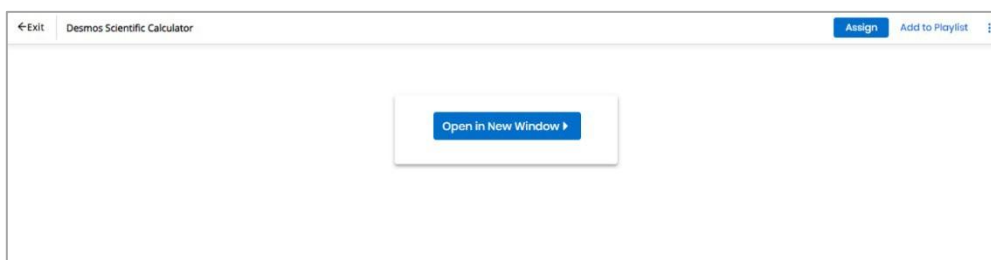

4. The Desmos Graphing Calculator allows users to plot various mathematical equations and functions visually, making it easy to analyze graphs and understand mathematical concepts.

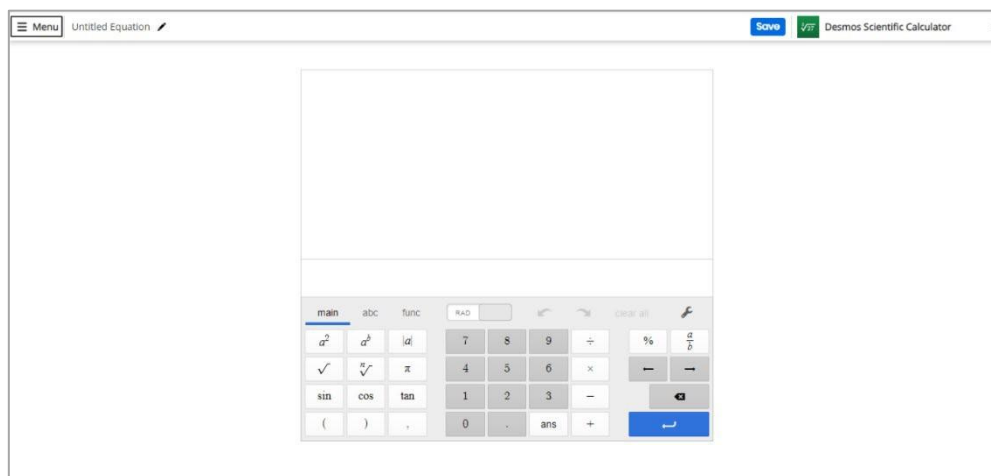

5. The second option of Desmos Calculator under the Tools menu is Desmos Scientific Calculator.

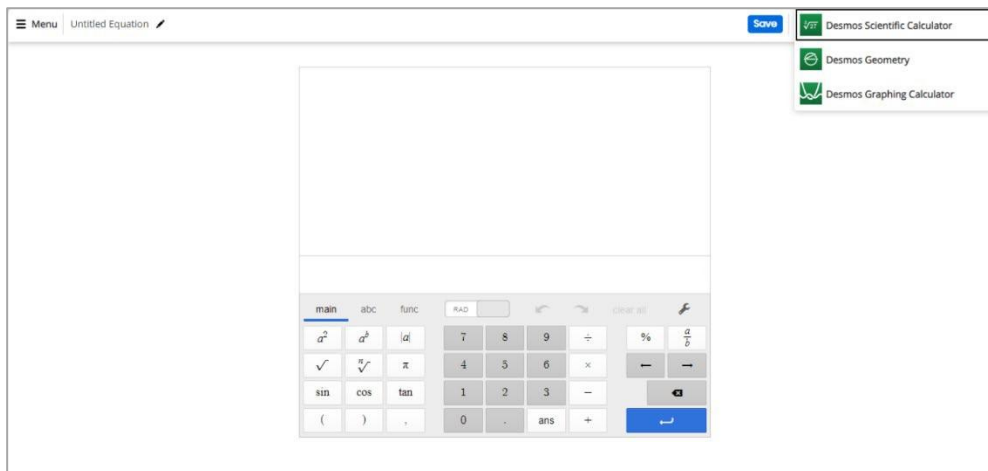

6. Click **Open in New Window** to access the Desmos Scientific Calculator.

7. The Desmos Scientific Calculator provides a variety of built-in functions.

8. You can quickly switch between the calculators by accessing the drop-down menu in the top right corner.

9. If you would like more detailed tutorials on the functions of each Desmos tool. We recommend you explore the tutorials available on [MySavvasTraining.com](https://www.mysavvaslearning.com).
