

Brainingcamp **LIVE**

Using Brainingcamp LIVE within *enVision®+ Texas Mathematics*

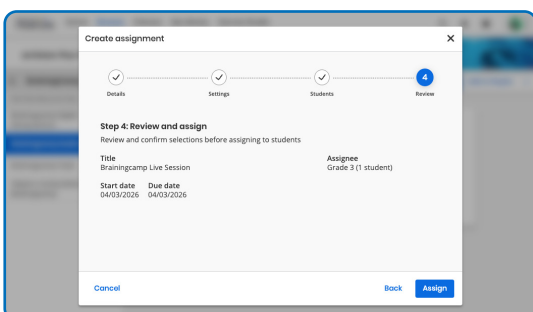

Step 1

Log in to Savvas Realize® to access *enVision+ Texas Mathematics*.

Step 2

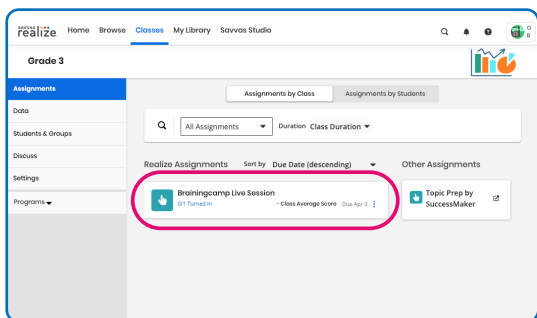

Click on Brainingcamp at the bottom of the Table of Contents then select Brainingcamp LIVE Session. Click the **Assign** button in the top right-hand corner.

Step 3

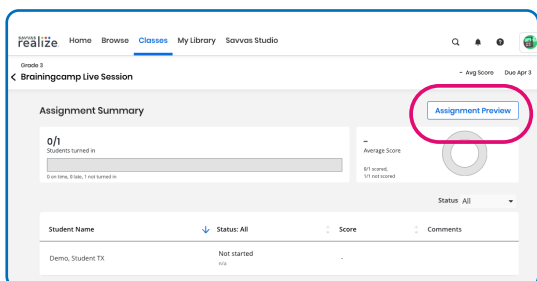

Create Assignment by adding details and selecting class, group, or student. Click **Assign**.

Pro Tip: Title your assignment with the lesson or date to identify the correct session.

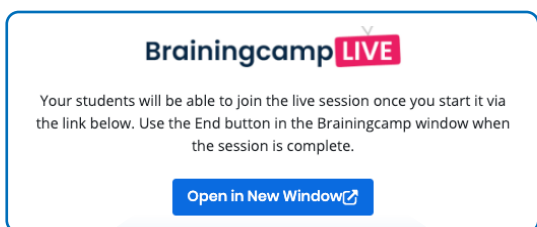

Step 4

Go to Classes on your top navigation bar, choose the class, then the Brainingcamp assignment.

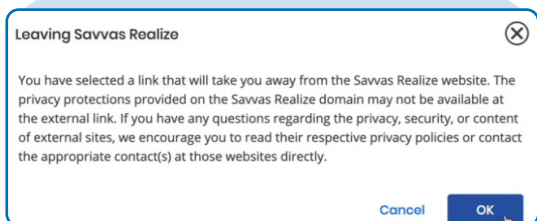

Step 5

Click Assignment Preview.

Step 6

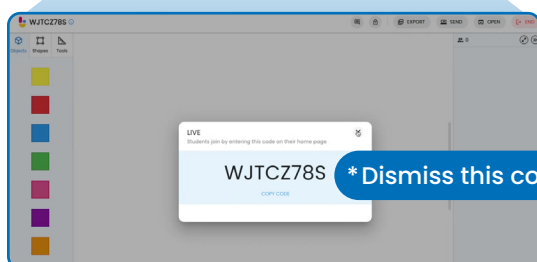

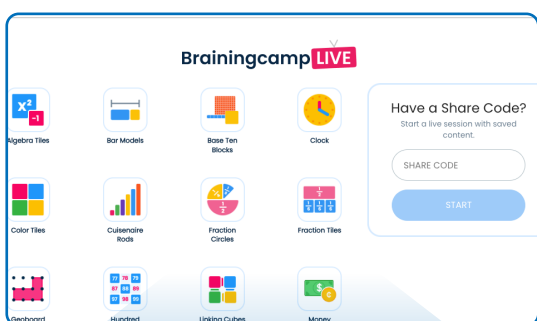

Open in New Window. Acknowledge you are leaving the Savvas Realize® website by clicking "OK".

Step 7

Choose and Click on a Manipulative.

** You can dismiss the code. Students will automatically be linked to your session without a code.*

Step 8

Enjoy!

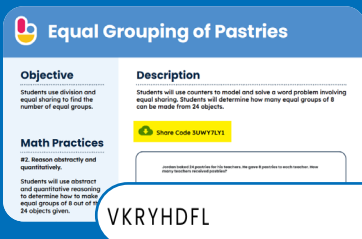

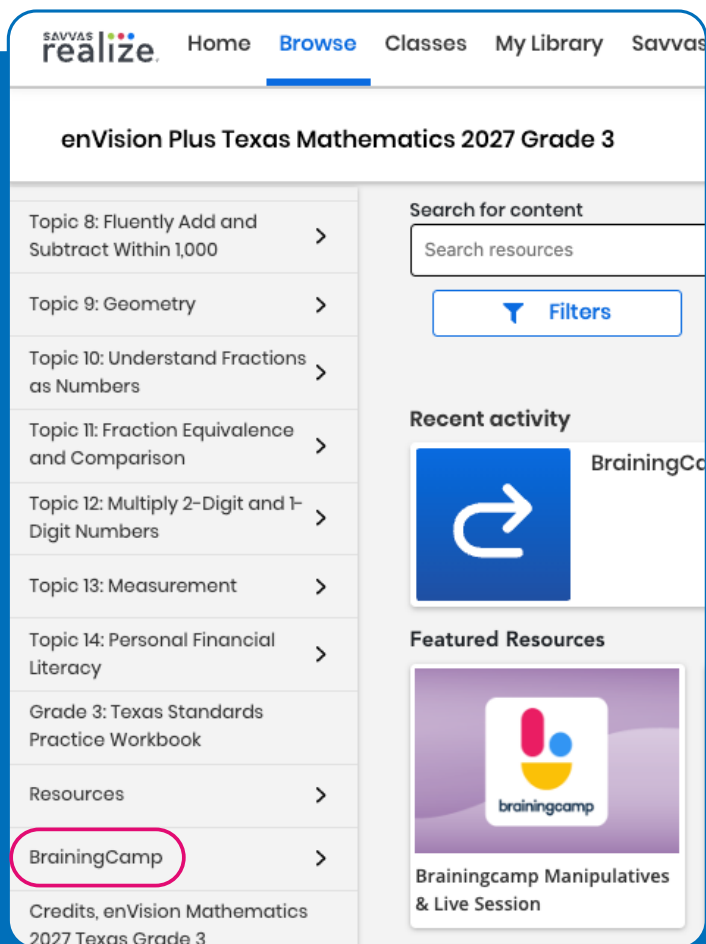

Brainingcamp LIVE Task:

Brainingcamp Tasks are aligned to and included in each topic's Differentiation Library. They are also all listed together in the Brainingcamp section of the Table of Contents on Realize.

If you would like to use a Brainingcamp LIVE task, follow these steps in addition to the steps above.

1. **Click on a Brainingcamp Task** either in a topic's Differentiation Library or in the Brainingcamp folder at the bottom of the Realize Table of Contents.
2. **Find and open** the task you want, then copy the Share code.
3. Before using a Brainingcamp LIVE task, **make sure your students are signed in.**
