Teacher Home Page

Think of the Savvas Realize® home page as your control center, where you can access assignments, assessments, and interactive student and teacher editions for one or all of your programs.

Getting Started with Realize

[Watch video >](#)

Navigate Anywhere

From any page, you can use the top menu to return to this **Home** screen; **Browse** all of your programs; access assignments, rosters, and data for your **Classes**; and create custom content in **My Library**.

At-a-Glance Info

Once you have at least one class, a class card will show you key details about recent **assignments**, as well as direct access to that class's **Data** and other important information.

 If you have three or fewer Realize classes, your class cards will be rectangles; if you have four or more, your class cards will be squares.

Google Classroom

An icon clearly identifies classes that have been imported from Google® Classroom.

Important Alerts

Look for notifications, like when custom content has been shared with you by an administrator or fellow teacher.

Find Content

Search for curricular content by keyword.

Get Help

Search for help navigating Realize; find on-demand and live learning opportunities; connect with our Customer Care Center for technical support; and contact a program specialist for curricular support.

The screenshot shows the Savvas Realize Teacher Home Page. At the top, there is a navigation menu with 'Home', 'Browse', 'Classes', and 'My Library'. To the right of the menu are icons for search, notifications, help, and a user profile for 'Jennifer'. The main content area is divided into two class cards: 'Biology, 1st Period' (green header) and 'Physics, 3rd Period' (blue header). Each class card displays a list of assignments with their due dates and status (e.g., '9/10 Turned In', 'Due Sep 10'). To the right of each class card are links for 'Assignments', 'Students', 'Data', and 'Programs'. On the right side of the page, there is a 'My Programs' section with a list of programs: 'Science Texas Experience Chemistry', 'Science Texas Experience Physics', and 'Science Texas Miller & Levine Experience Biology'. At the bottom right, there is a notification icon with a red '1' badge. The footer contains copyright information and the Savvas logo.

Access Content

Click on any title in **My Programs** to see the Table of Contents and access resources for that program.

Stay Up-to-Date

Be sure to read any message you see – it's how we share updates on new features, tips for using Realize, and other helpful information.

Program Dashboard

Once you've selected the program you want to explore, you can find award-winning Savvas content in several ways.

Find What You Want

Dynamic **search** allows you to find and filter TEKS-based content.

Browse Content

The **Table of Contents** aligns directly with your Savvas textbook. You can also view helpful "Getting Started" documents and videos.

Featured Resources

Our authors and curriculum experts have selected the most important materials to highlight in **Featured Resources***. You can find Texas custom content, labs, Hook & Inspire, and other materials here.

*Varies by program.

Instructional Categories

View available resources by content type and choose an **instructional category** that aligns with your lesson.

More Great Content Ahead

When you see an arrow in the Table of Contents, make sure to click for more.

Investigation Resources

Support for the Investigation is organized in the Table of Contents on the left.

Tools

Easily access the **ExamView® Download Center**.

Anchoring Phenomenon

Exploration begins with a phenomenon video and class demonstration that introduces and unifies the upcoming chemistry concepts. As students complete Experiences and Investigations, they synthesize their understanding of the concepts behind the phenomena.

Investigation Assessments

Online or editable print tests assess mastery of concepts presented in the Investigation.

The screenshot displays the 'Texas Miller & Levine Experience Biology' interface. On the left is a navigation menu for 'Investigation 5: DNA' with the following items: 'Anchoring Phenomenon (Anch. Phen.): DNA', 'Experience 1: The Structure of DNA', 'Experience 2: DNA Replication', 'Investigation Evaluation: DNA', and 'Hook & Inspire!: DNA'. The main content area includes a search bar, 'Browse by Category' (Activities, Assessment, Books / Readers, Practice, Presentations, Program Resources, Teacher Support, Video / Audio), and 'Featured Resources' (Hands-on Labs, Hook & Inspire, Interactivities, Phenomena, Texas Assessment, Virtual Labs). A red callout box highlights the 'Assessment Download Center' icon in the top right corner of the interface.

Choose an Experience

Dig deeper by choosing an Experience from the Table of Contents. Continue to the next page to keep exploring.

Experience Dashboard

Lessons are organized for the way you teach. Choose an Experience to see all of the engaging interactive content for teaching and learning. Once you've found the perfect lesson, activity, or assessment, assigning is easy.

eTexts

Easily access all of the program texts online.

Options for Assigning Content

Assign All allows you to assign every instructional resource at once.

Assign content directly to individual students, small groups, or an entire class. Or add to a playlist as part of a larger lesson.

Select multiple items toggle allows you to quickly build your assignments with fewer clicks.

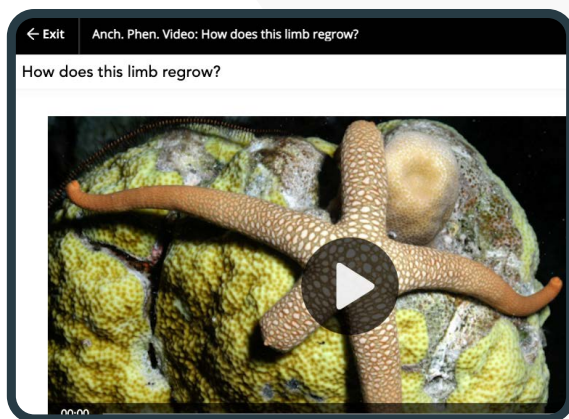

Editable 5E Lesson Plan

Summarizes the content needed to teach the experience. The online lesson mirrors the same learning model in print — engage, explore, explain, elaborate, and evaluate.

Scroll to see all resources.

Highlighted Resources

As you review the program on Savvas Realize®, make sure you check out these engaging instructional resources and more.

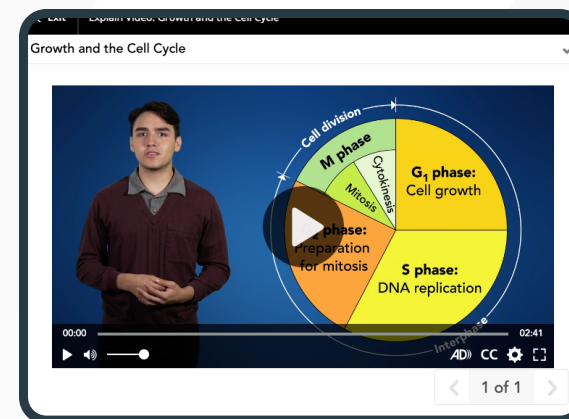

Anchoring Phenomena Videos

Spark student engagement and ground concepts in the real-world.

Editable Presentation Slides

Download and edit presentations to meet the individual needs of your classes.

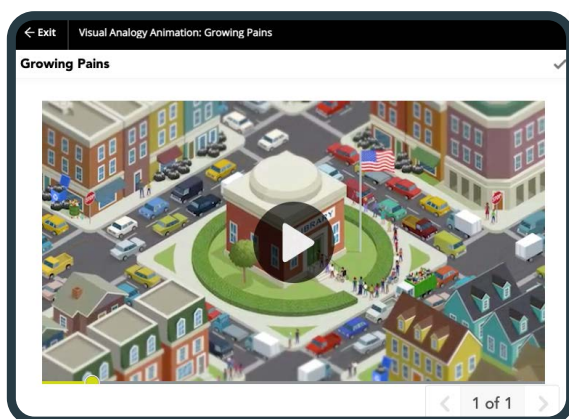

Explain Videos

Student-led videos that explain core concepts and improve understanding.

Beyond Labz Virtual Labs

Simulate the classroom lab experience in an enhanced environment.

Visual Analogy Animations

Presents content in relatable ways to help students understand the content.

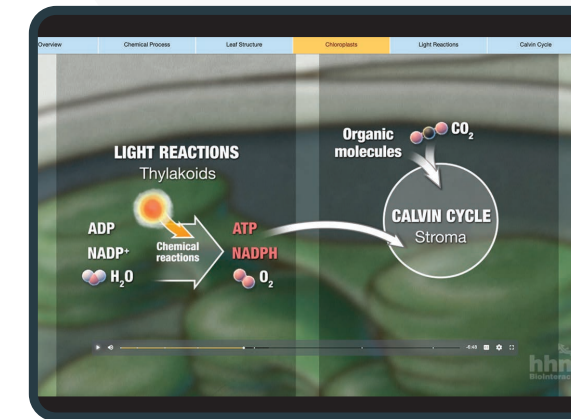

Hook & Inspire

Variety of interactive resources and activities and information on STEM careers to enrich learning.

Flinn Lab Demo Videos

Lab videos provide a step-by-step walk-through to support the labs.

Interactivities

Multiple opportunities for engagement support all learning modalities.

My Library, Realize Reader, and Interactive PDFs

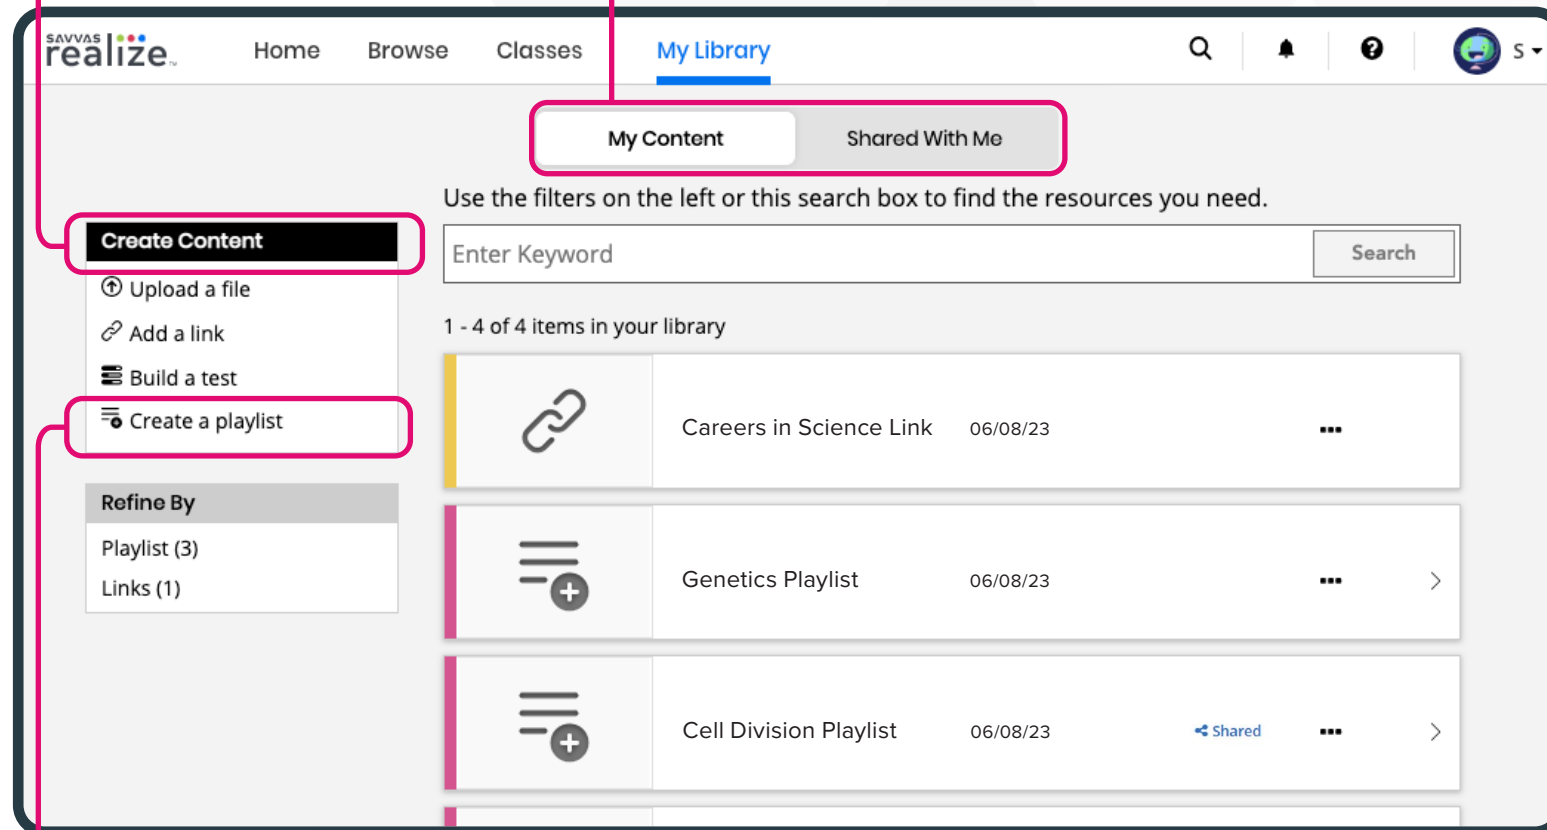

Savvas Realize® offers a variety of tools to make planning for and teaching your classes easier and more efficient.

Customize Your Content

Upload your own files, add links, and build tests under the Create Content menu.

Your Personal Portfolio

Under **My Content** you will see all of the custom content you create. **Shared With Me** houses playlists shared with you by teachers and assessments shared with you by administrators.

Lesson Playlists

Create lesson playlists with content from across programs and/or your own custom content. Then, share it with teachers in your school or district.

Assignments

Savvas Realize® makes reviewing and scoring student work easy. You can view your class assignments directly from your Dashboard's class card, or by selecting from a list of classes under the "Classes" tab.

Make Data-Driven Decisions

Access detailed data reports for auto-scored assignments.

Target Your Instruction

See assignment progress and average score for each student in your class. Use the information to create and manage small groups and assign content just to them.

Start a Discussion

Create a **prompt** or manage active discussions to keep your class engaged.

The screenshot shows the Savvas Realize interface for a teacher. At the top, there are navigation tabs: Home, Browse, **Classes**, and My Library. A search bar, notification bell, and user profile (Jennifer) are on the right. Below the navigation, the current class is identified as 'Biology 1st Period'. A sidebar on the left contains menu items: Assignments (highlighted), Data, Students & Groups, Discuss, Settings, and Programs. The main content area shows 'Assignments by Class' with a search bar containing 'Active Assignments' and a 'View My Assignments' button. A 'Sort by Due Date' dropdown is visible. A list of assignments is displayed, including 'Analyzing Data: You are what you eat', 'Revisit Anch. Phen. eText: Cellular Respiration', 'Quiz: Cellular Respiration', 'Explain Video: A Balancing Act', and 'eText: Covalent Bonds'. Each assignment card shows the number of students who have turned it in, the class average score, and the due date.

Find What You Need

Search for assignments by title keywords for quick access to specific assignments.

Dive Deeper

Click on any title to see assignment details for each student and review completed work.

Scoring

With a dynamic layout, your scoring page optimizes to the task at hand – it expands the information you need and shrinks the stuff you don't.

Scores travel with students if they transfer to a new class within the school or district, making it easier to pick up where they left off.

Realize for Students and Parents

[Watch video >](#)

Navigate Anywhere

Menu options on the Home Page allow your student to **Browse** their digital content, access all of their Realize **Classes**, and view their **Grades**. These menu options are available from every Realize page.

Find Content

To search for content in Savvas Realize, click the magnifying glass icon at the top right of any page.

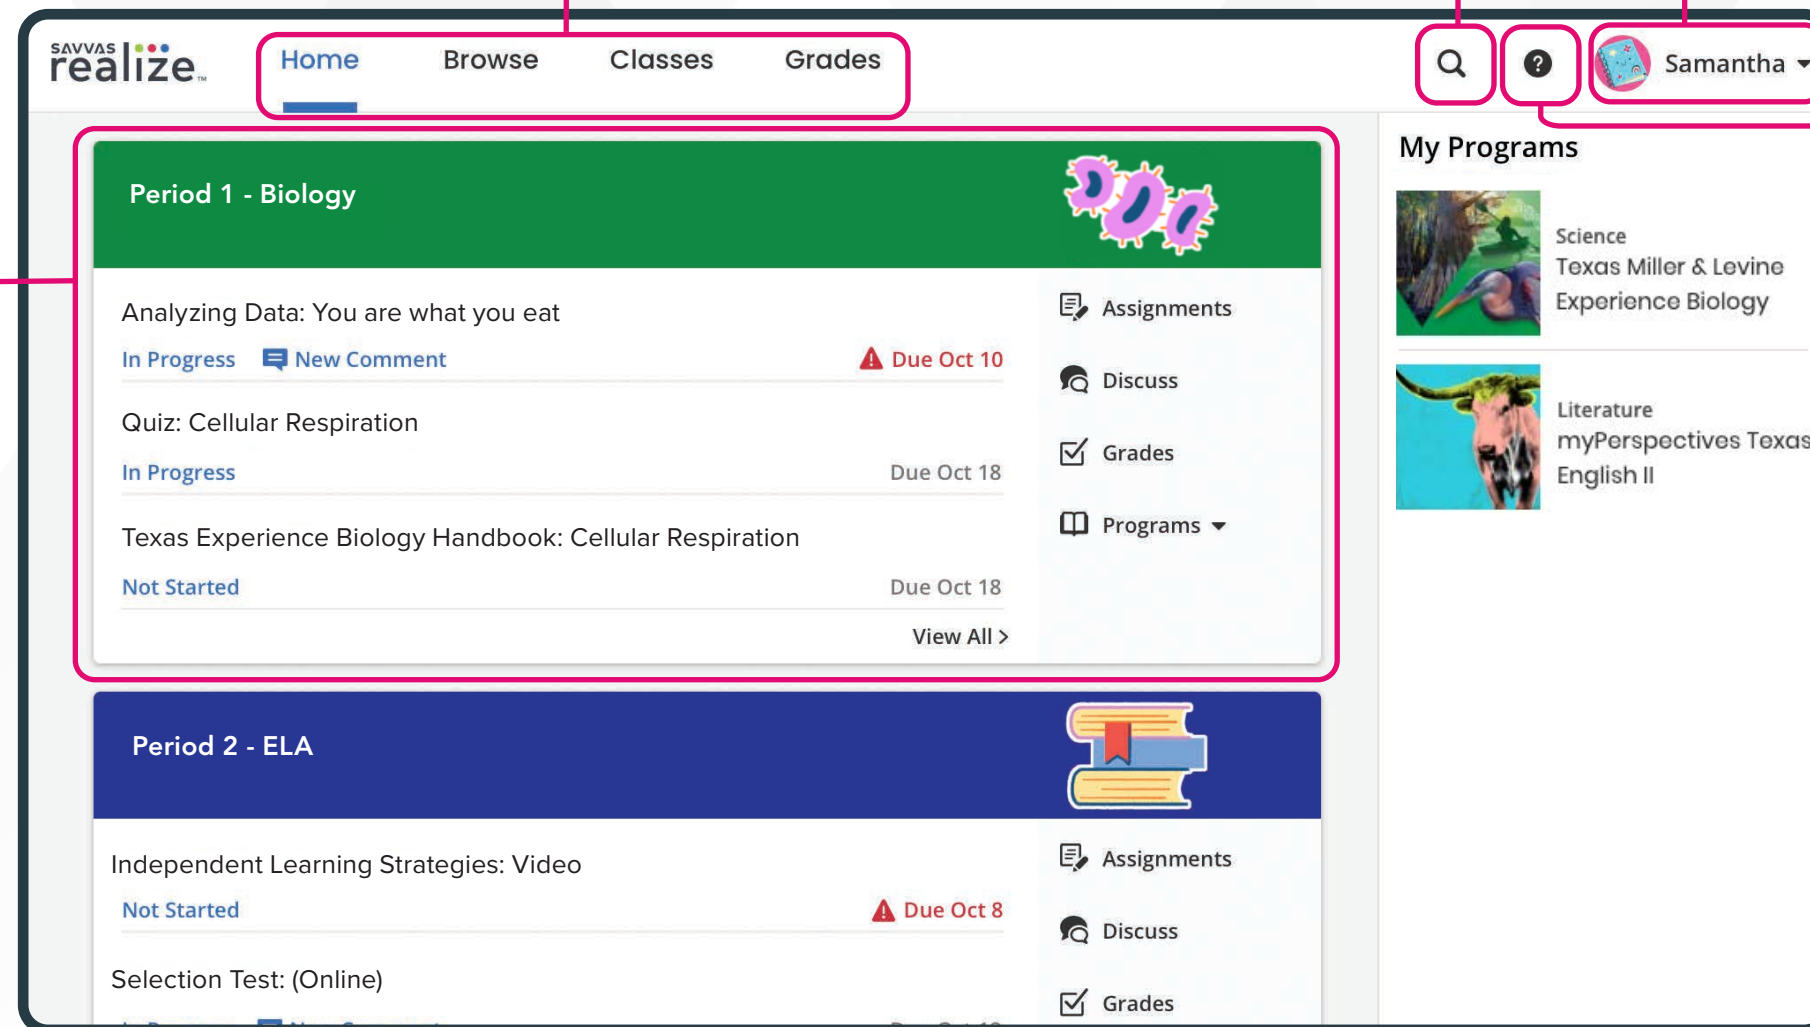

Student Profile

Students can click the **Profile** icon at the top right of any Savvas Realize page to access the following:

1. The **Settings Menu** allows students to customize their Profile Home Page images.
2. Click **Sign Out** to close Savvas Realize®. This is especially important if your student is sharing a computer or device with others.

At-a-Glance Info

For each of their Savvas Realize classes, students have a class card that includes recent **assignment information**, alerting them to comments and reminding them of due dates. Cards also provide access to each class's **Discussions, Grades, and Programs**.

Get Help

The Help Menu allows students to get support on any Realize page, and to search for additional help resources.

Accessible Learning

Savvas Learning Company supports Universal Design for Learning (UDL) principles to help all students access our high-quality instructional materials.
