> I don't see my institution or school.
> I'm not associated with an institution or s...

Step 5: Teacher Verification: You can either request Instructor Access through Pearson's auto-verification process or enter a Teacher Access code if you were provided one by your Savvas Account Manager.

Welcome Matt!

To create your first course, you'll need to help us verify that you're an instructor.

Request instructor access

I have an access code

Step 6: Click on the Create/copy course button and search by the lead author of your textbook. Be sure to choose the, "**Advanced Placement**" or "**High School Users**" in the title if available.

Select

Select

Step 7 (REQUIRED): Enjoy your MyMathLab for School product!

Savvas Learning Company is the official distributor for Pearson in offering effective, hands-on content in AP, Honors, and Electives programs to K-12 schools and districts.
