realize[®]

Steps to Success:

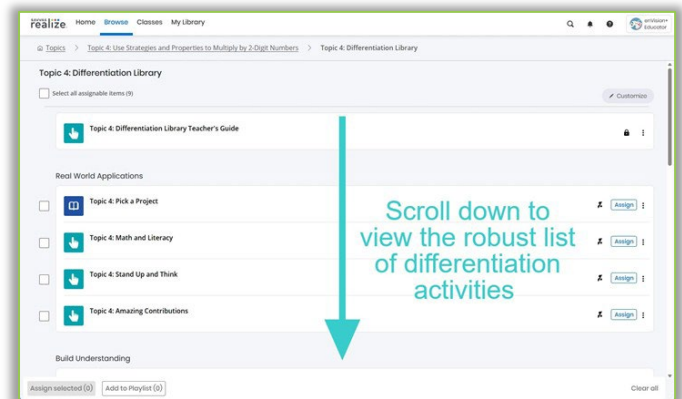

1. Navigate to your *enVision+ Mathematics* program on Savvas Realize.
2. Click on a Topic of your choosing.

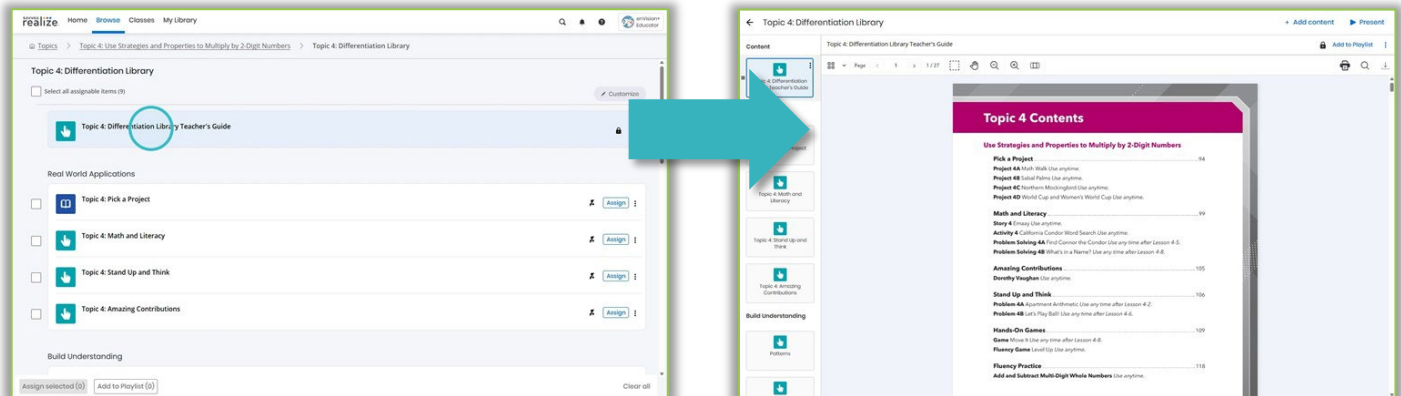

3. Click Topic #: Differentiation Library from the topic navigation menu.

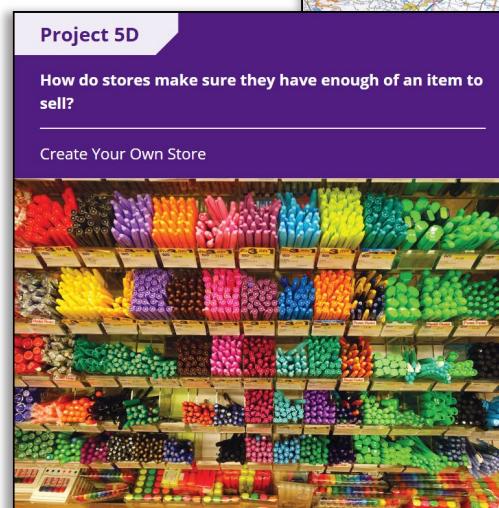

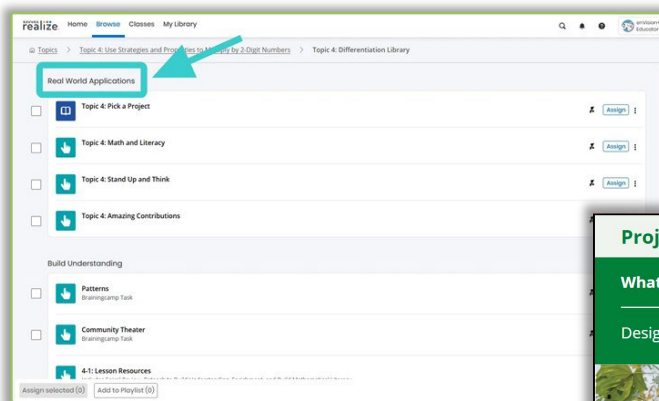

4. Here you have access to the full **Differentiation Library** for the topic you chose.

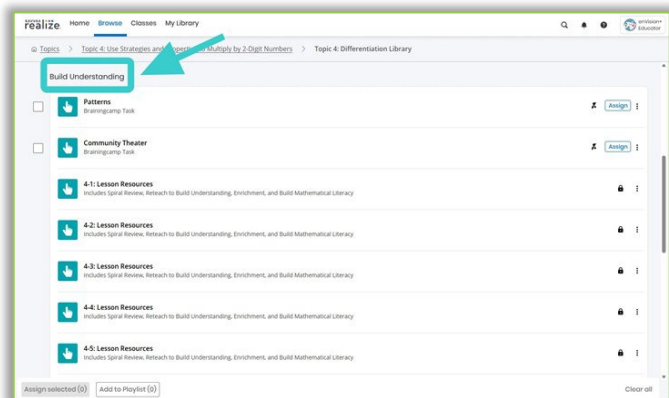

5. Click on the **Topic #: Differentiation Library Teacher's Guide** to access the teacher support, answer keys, and blackline masters for the various differentiation activities for this topic.

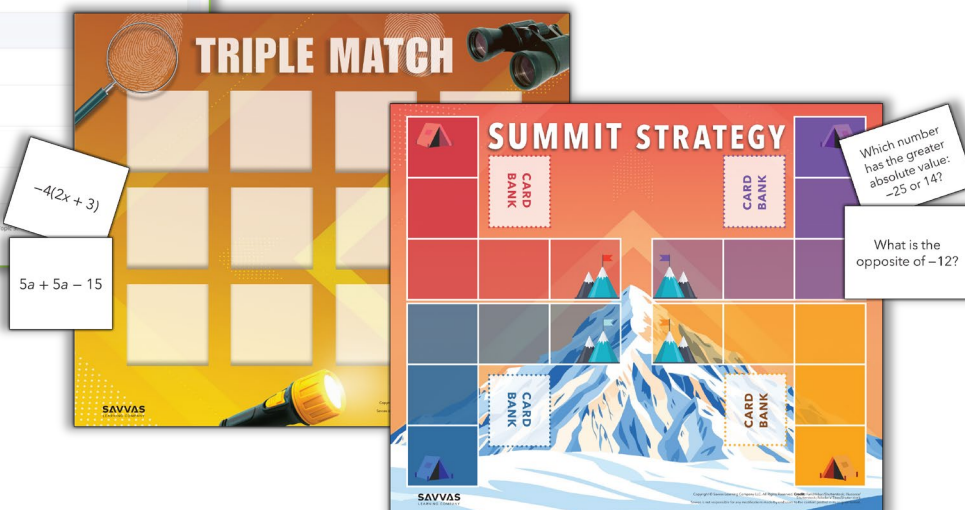

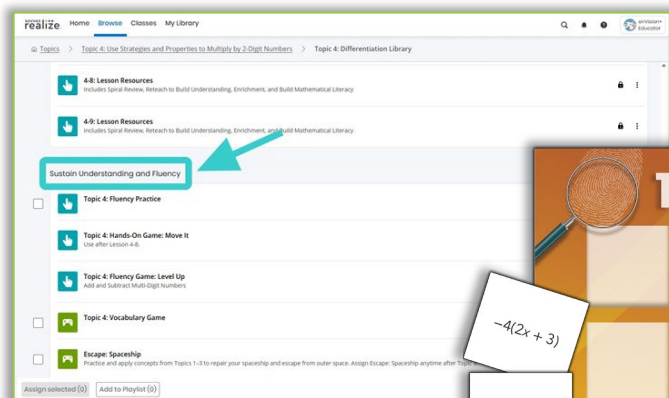

6. Navigate to the **Real World Applications** section to find activities like the Pick a Project to engage students in the math around them.

7. Navigate to the **Build Understanding** section to find activities such as the Brainiaccamp Tasks that will support students' building understanding of the key concepts for the topic.

8. Navigate to the **Sustain Understanding and Fluency** section to find the fluency practice activities as well as the digital and hands-on game options for this topic.
