

Accessing and Assigning Stand Up and Think Activities within *enVision+ Mathematics*

SAVVAS
realize.

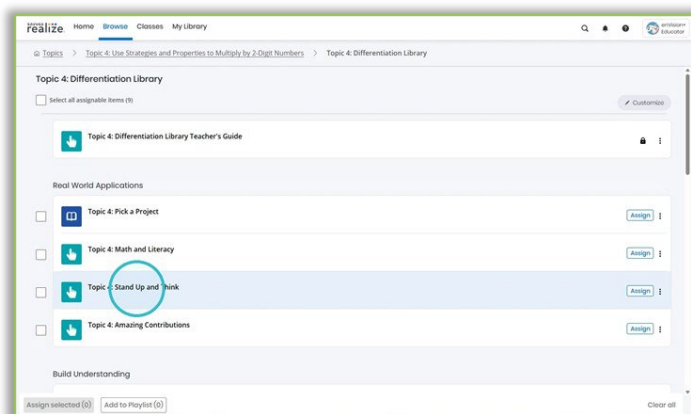

Encouraging collaborative work on open-ended math tasks sparks profound learning through varied problem-solving strategies and meaningful mathematical dialogue. Please follow the directions provided below to locate and distribute “Stand Up and Think,” an example of this type of open-ended activity within *enVision+ Mathematics*.

Steps to Success:

1. Navigate to your *enVision+ Mathematics* program in Savvas Realize. Click on the **Topic** of your choosing.
2. Click on **Topic Differentiation Library** from the Topic navigation menu.

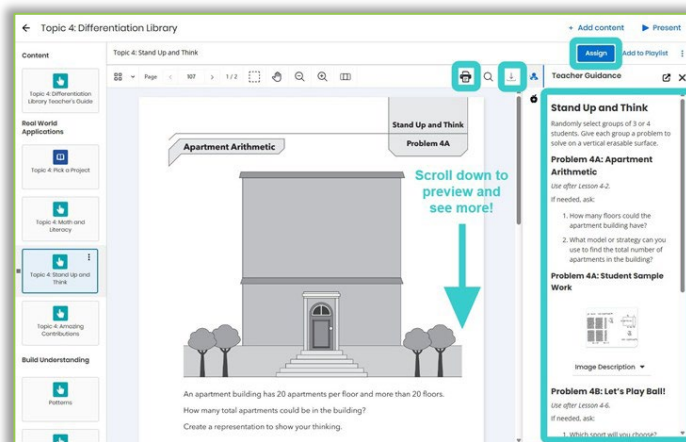

3. Click on **Topic #**: **Stand Up and Think** under the heading **Real World Applications**.

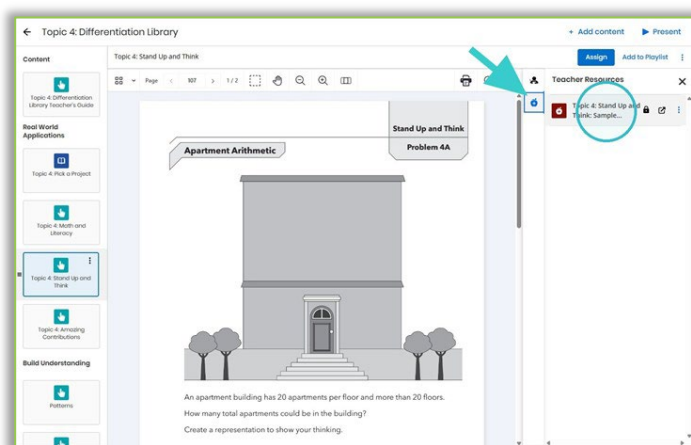

4. Here you can do the following:

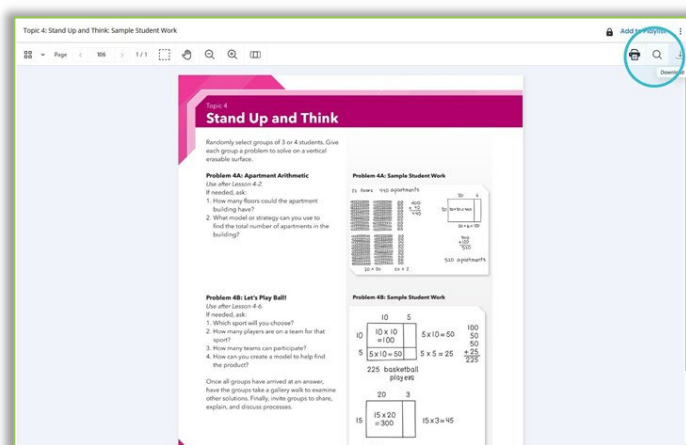

- Preview the Stand Up and Think activities
- Download/print the activities
- Assign them to students on Savvas Realize
- View the Teacher Guidance for when and how to facilitate the activity in the expandable teacher window

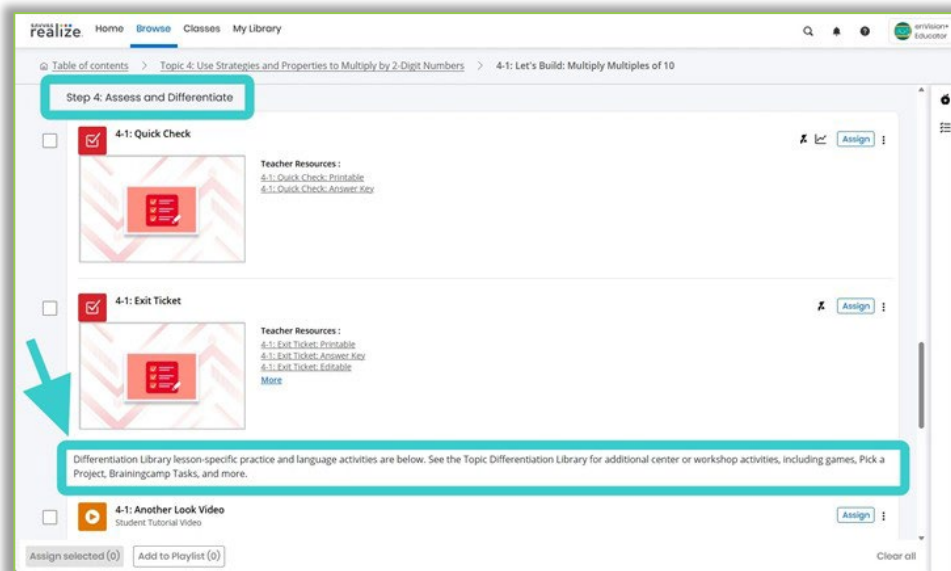

5. Click the **Apple Icon** in the expandable teacher window to gain access to the Sample Student Work for each Stand Up and Think activity. Click on the **Sample Student Work**.

6. After viewing the Sample Student Work for the activity, you can choose to download and/or print it directly from Savvas Realize by clicking the **Print** or **Download** icons.

7. When viewing differentiation options for Step 4 of an *enVision+ Let's Build* lesson, notice the callout reminding you that there are more options to use in the Topic Differentiation Library, such as the Stand Up and Think activity.

Allow students the opportunity to collaborate & conquer open-ended problems with Stand Up and Think!

Thank you for viewing these Steps to Success! We hope you found this helpful. Be sure to check out [MySavvasTraining](#) for more tutorials and tips.
