

How to Assign Topic Prep Powered by SuccessMaker in Savvas Realize

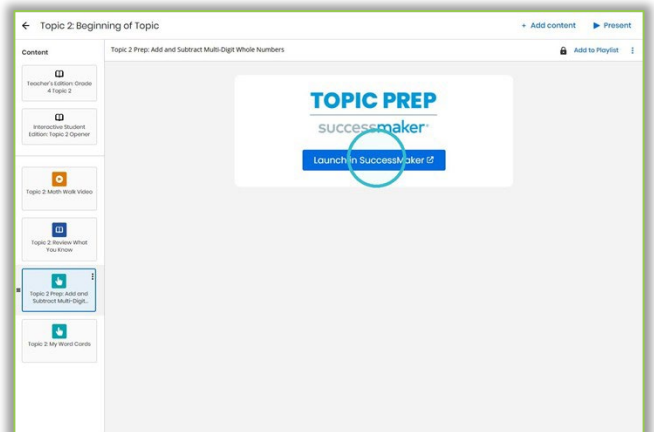

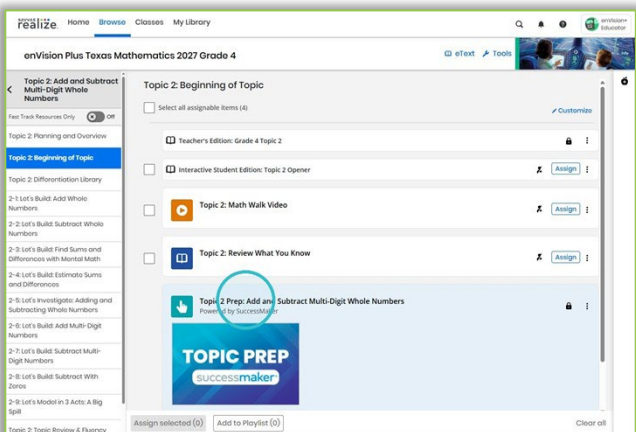

Steps to Success:

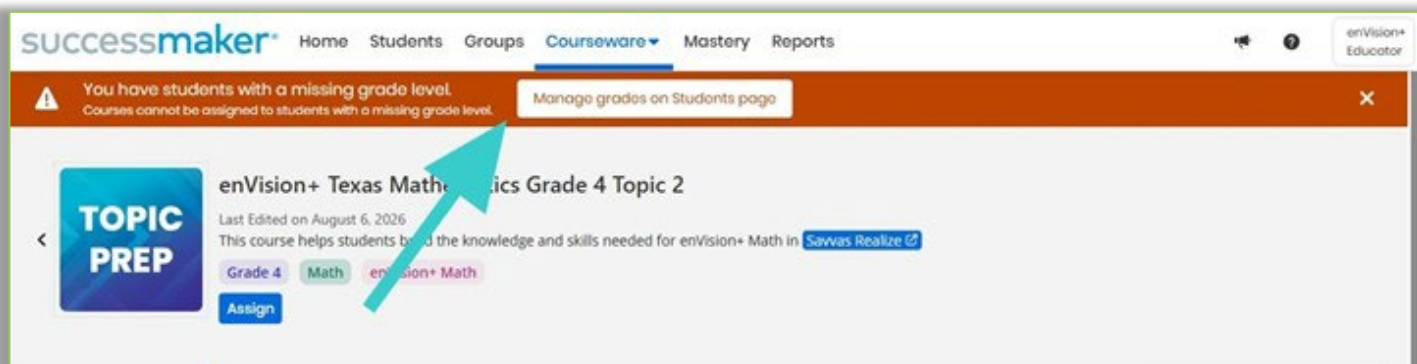

1. Navigate to your *enVision+ Texas Mathematics* program on Savvas Realize and click on a Topic of your choosing.
2. Click Topic #: Beginning of Topic from the topic navigation menu.

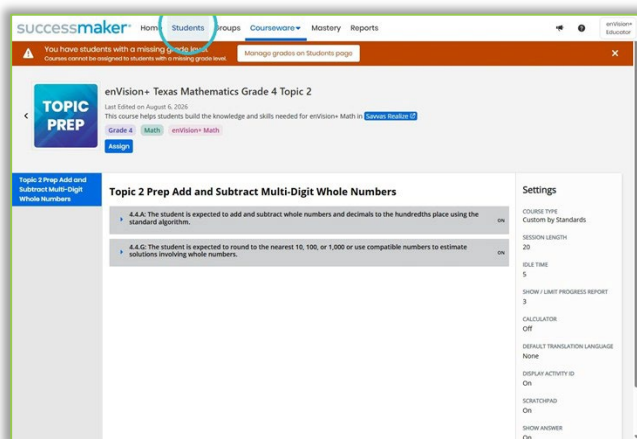

3. Click on Topic Prep Powered by SuccessMaker from the list of resources in the main section of your screen.
4. Click Launch in SuccessMaker to open SuccessMaker in a new window.

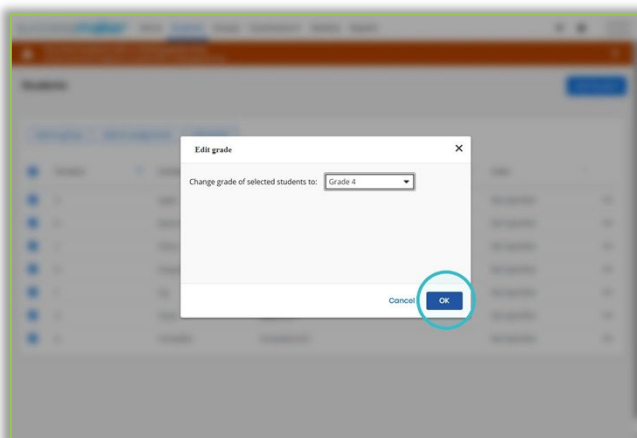

NOTE: In order to assign Topic Prep Powered by SuccessMaker to students, you must first assign a grade level to the students. If you see a notification banner like the one shown here, follow the steps below to assign a grade level to your students. If you have already assigned a grade level, skip to Step 10 to continue.

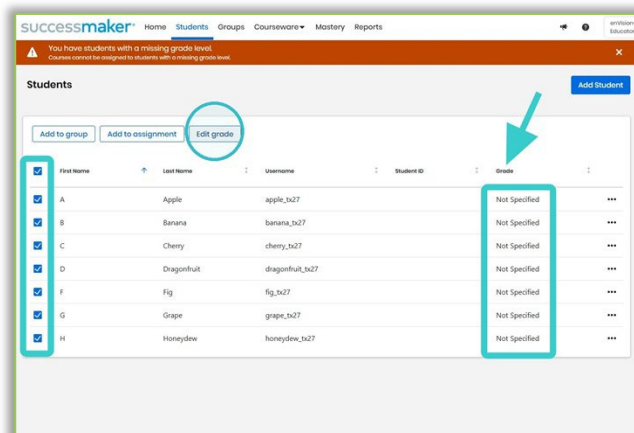

5. Click on the **Students** tab from the top menu.

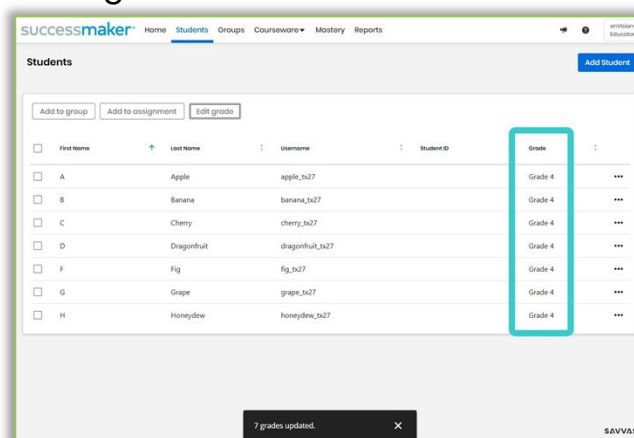

7. Select the appropriate **Grade** for the students from the dropdown menu and click **OK**.

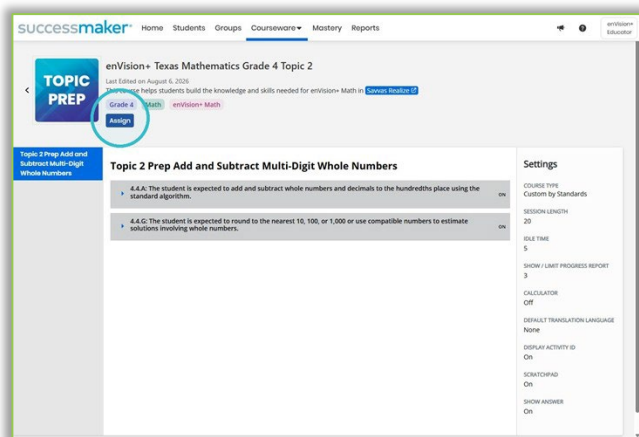

6. Notice that none of the students have a grade level assigned yet. **Check the boxes** next to the student names that need a grade level and click **Edit Grade**.

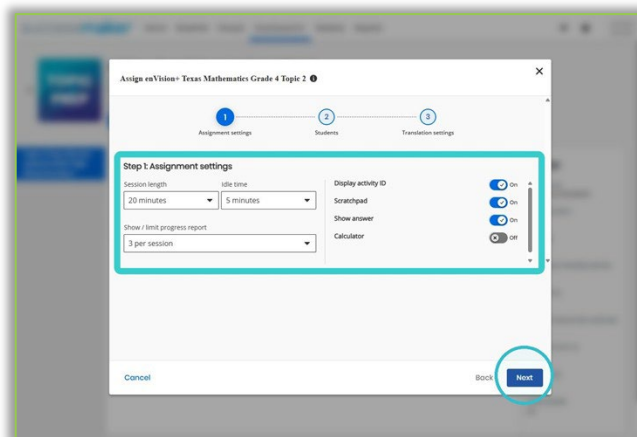

8. The alert banner is gone. Now all students have a grade level and can begin receiving SuccessMaker assignments.

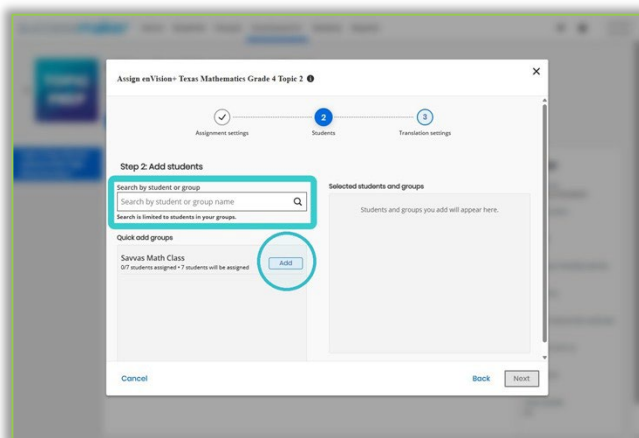

9. Return to the Topic Prep Assignment under the Courseware Tab. Click **Assign** to give the Topic Prep assignment to your students.

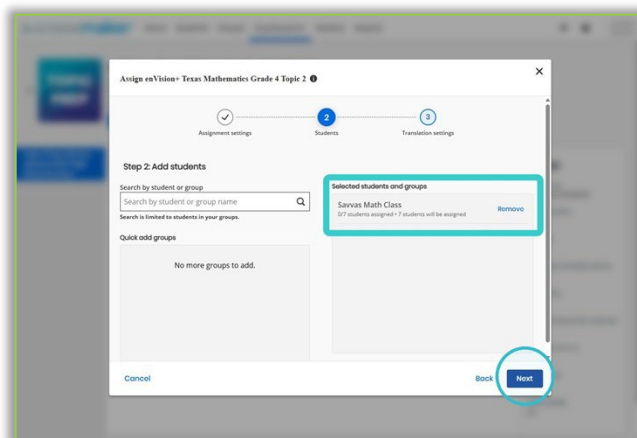

10. Choose your **Assignment Settings** for this Topic Prep Powered by SuccessMaker assignment by adjusting the settings to fit the needs of your students. Click **Next**.

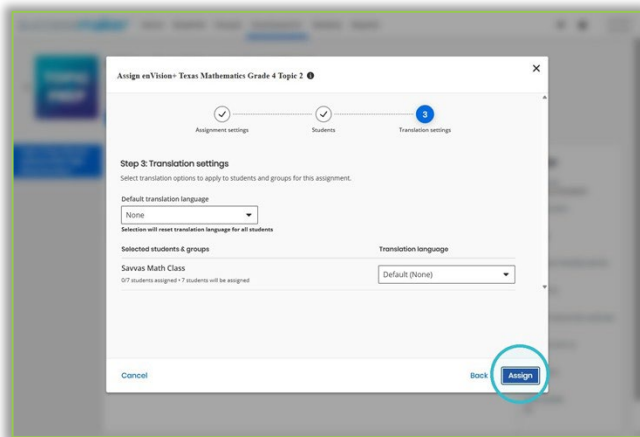

11. Click **Add** next to the appropriate class of students. If you would like to assign this to individual students, simply type their names in the text box to add students individually.

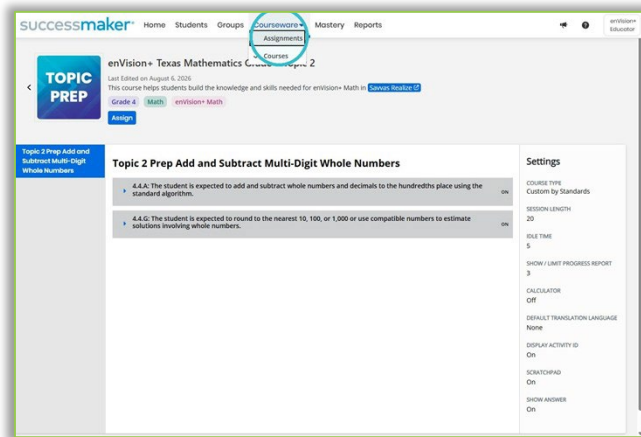

12. Click **Next** once you have selected the appropriate students/class for the SuccessMaker assignment.

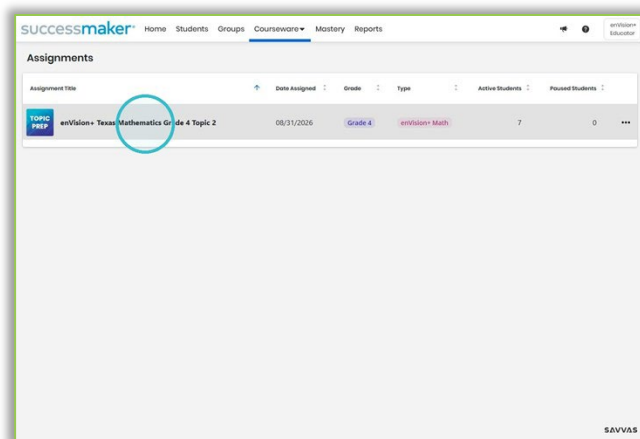

13. If applicable, adjust the language for the assignment. Click **Assign** to complete the process.

14. To view the assigned activities, navigate to the **Assignments** through the **Courseware** Tab.

15. You will now see the Topic Prep assignment listed under the Assignments for your class on Savvas Realize. Click on the **assignment** to view real-time results of student activity.
