

Realize Scout Observational Tool

Realize Scout makes “assessing to inform” part of everyday instruction! It is the formative assessment tool that helps teachers build powerful student profiles in a single, organized place directly from the Realize digital platform. Snap photos, record observations and class discussions, and make anecdotal notes, all while creating a detailed picture of individual student growth over time.

Coming soon to **enVision Mathematics** Grades 6-8!

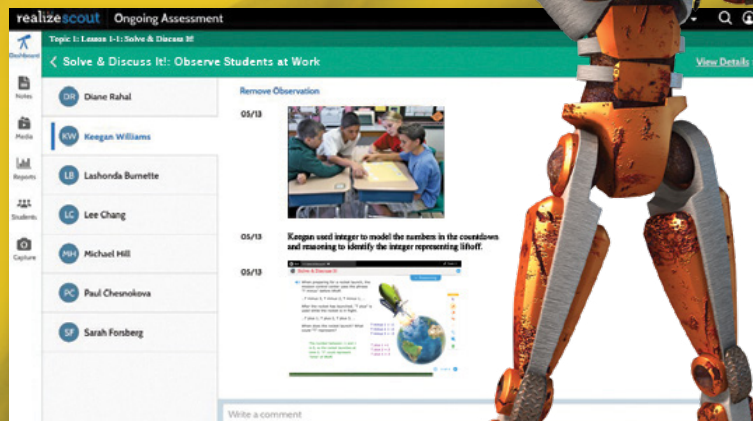

Use Realize Scout during Step 1 Problem-based learning *Solve & Discuss It!* *Explore It!/Explain It!*

- Conduct formative assessment in every lesson with relevant content and tools.
- Capture “in-the-moment” photos and videos as students are engaged in the *Solve & Discuss It!* *Explore It!/Explain It!*

Build detailed profiles of student growth.

- Timestamp and save student work to inform evaluation and planning.
- Snap photos of students engaged in group or individual exercises.
- Document examples of student work.
- Add daily commentary about observations noted.

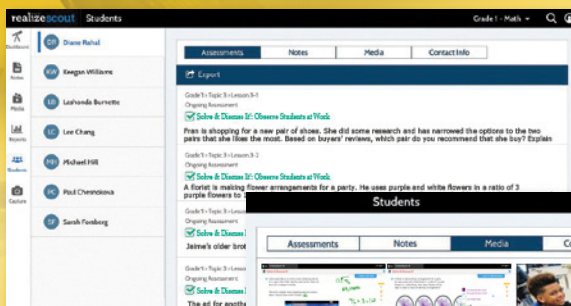

Kids See the Math.
Teachers See Results.

enVision[®] Mathematics

Grades 6-8

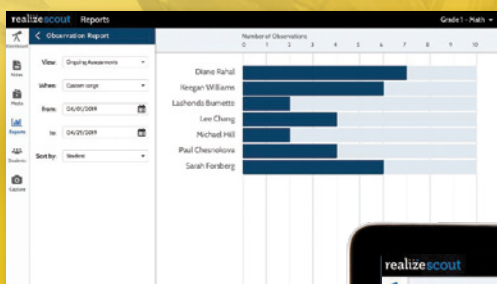

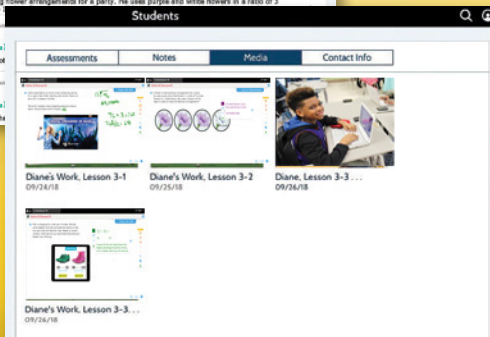

▶ Manage student profiles in one place

Keep track of notes, assessments, and observational media for every student.

◀ Store and organize collected media for each student

Upload photos and videos to validate observations on the spot.

▲ Monitor number of observations for every student

With the Observation Report, observations for all students are presented in one place.

◀ Manage and navigate Scout through the Dashboard

- Access student profiles, media, notes, and reports.
- Keep track of recent activity and to-dos.
- View and access different assessments.
- Record classroom observations, comment on student assessments, and create to-dos and reminders.
