

Experience Chemistry®

Experience Chemistry® is a multi-award-winning program that gives you more of what actually works in today's classrooms: real-world phenomena, engineering problems, and extensive built-in math and skills practice.

**FLINN
SCIENTIFIC**

Our exclusive partnership with **Flinn Scientific®**, the nation's #1 lab provider, delivers high-quality **labs, videos, engineering challenges, and performance assessments** directly into the program. Each lab comes in four versions, so you can pick what fits best—no rewrites needed. Set up is simple with Flinn kits, and with multi-year subscriptions, refill kits ship automatically.

Experience Chemistry comes fully loaded and ready to teach on **Savvas Realize®**. Easily customize assignments, labs, and assessments to match how you teach and what your students need. Everything integrates smoothly with your LMS through a single sign-on, making it accessible and manageable.
