

New for Back-to-School 2025

iLit is a proven ELA program that helps students in Grades 6 and up build foundational reading skills and support overall literacy development. The program has three versions: *iLit45* for intervention, *iLitELL* for multilingual learners, and *iLit20* to supplement core ELA curriculum.

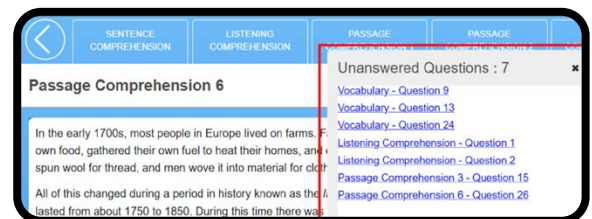

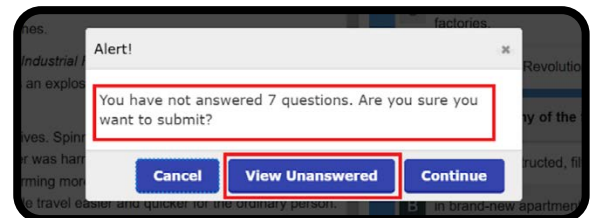

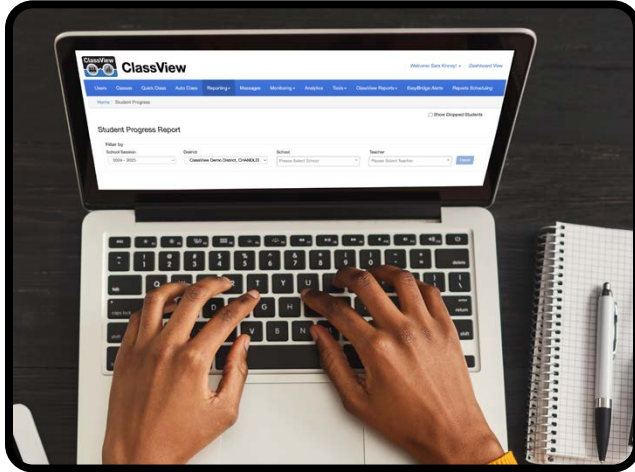

TIME-LOCKED ASSIGNMENTS

Educators can lock assignments to specific time frames, such as school hours, to keep students focused.

ENSURE EVERY QUESTION GETS ANSWERED

For students, a new “View Unanswered” button makes it easy to find and complete any missed questions. One-click takes them directly to unanswered items. Educators can track the number of questions answered and attempted for each student.

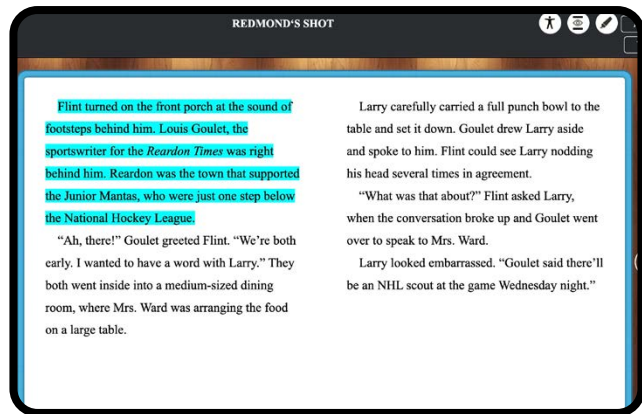

ENHANCED STUDENT PROGRESS REPORT

New filtering options make it easier to track progress, identify learning needs, and personalize support.

STAY ORGANIZED WITH SAVED HIGHLIGHTS

Student and teacher book highlights now stay saved in the digital library, even when you move to a new page.
