

ACTIVE LISTENING ROUTINE

1

PAY ATTENTION

Be sure that you are looking at the presenter. Give the presenter your undivided attention.

2

THINK

Think about what the speaker is saying. Do you understand the point? Do you agree or disagree?

3

RESPOND APPROPRIATELY

Respond appropriately and politely to the presenter. Laugh if the presentation is funny. But don't laugh if the presenter makes a mistake. That's unkind and unhelpful. Clap when the presenter is finished.
