

TIME TO READ

CHOOSE A BOOK

1

Either browse the books in the Library by scrolling through or do a keyword search based on topics that are of interest to you.

2

READ

As soon as you have chosen a book, you should start reading. If you chose a book in a previous class period, start reading as soon as you login to *iLit* on Time to Read days.

CONFERENCE

3

Periodically, your teacher will conference with you. Be prepared to talk to your teacher about the book you are reading.

4

Your teacher will display a Response Prompt. Write in your Journal in response to that prompt.
